FREQUENTLY ASKED QUESTIONS

What if I can't attend New Student Registration on the date or at the time listed in my letter?

Contact an Enrollment Specialist right away to reschedule. There are options (in person and virtual) available later in the summer and we will be happy to help you make arrangements for one of those.

How do I know which session to attend?

You may attend either the mid-morning or evening session on May 25th or August 2nd. Choose the date and time that best fits your schedule. Please make sure to RSVP via phone or email by May 19th.

I am not planning on taking the majority of my classes in South Sioux City. What do I do?

Contact an Enrollment Specialist to make alternate New Student Registration arrangements at one of our other locations. If you intend to take all your classes online, inquire about our virtual New Student Registration option.

What if my Accuplacer, MAP, or ACT scores have not been submitted?

A current placement assessment must be on file prior to registration. Northeast will accept Accuplacer, ACT, or MAP scores, provided they are current within three years. To schedule a placement assessment (MAP), contact the Testing Center to discuss your testing options.

Are parents required to attend?

Parents/guardians are welcome, but not required, to attend. Due to space limitations, students may bring no more than two (2) guests with them.

How do I know if I will be getting financial aid?

If you have submitted a FAFSA (Free Application for Federal Student Aid), log into your My Northeast account and review the information under the "Financial Aid" tab. Make sure to explore all links provided, specifically "Eligibility," to ensure all required documents have been received and satisfied. If you still need to apply for financial aid, you can access the electronic process at www.fafsa.ed.gov. If you have questions or need assistance, contact Financial Aid.

What if I've taken courses at another college?

If you have successfully (with a "C" grade or better) completed courses through another university or college, contact the institution you previously attended to request that they send an **official transcript** to Northeast. If you have Early College credits at another college or university, your high school counselor cannot request a college transcript on your behalf and your college credit will not be recorded on your high school transcript.

How do I claim my My Apps account?

The My Apps portal contains all the Northeast resources assigned to you, including your My Northeast account which you will use to register for classes and pay your bill. You must be able to access your My Apps portal to register for classes during New Student Registration. Step-by-step instructions for claiming your My Apps account or updating your password are provided.

CLAIM YOUR MY APPS ACCOUNT

New Students: Use these instructions if you have never taken a class from Northeast and never logged in to the My Apps portal.

1. Gather your College ID* number (from your acceptance letter) and your unique Claim Code* which you should have received via email or text message when your Northeast application was accepted.
2. Begin at <https://myid.northeast.edu>.
3. On the login screen, click Claim My Account.
4. Verify that Staff/Students shows as the selected policy.
5. Click Next and follow the process to claim your account and set your password.
6. Once you have set your password, the system will display your username/Northeast email address.
 - a. Retain for future use. You will use your username/Northeast email address to log in from this point forward.
7. After claiming your account, you will be directed to the My Apps portal where you will log in with your username/Northeast email address and the password you created when you claimed your account.
 - a. Your My Apps password must be updated every 90 days.

Returning Students: Use these instructions if you have previously taken a class (including Early College or Dual Credit) from Northeast and previously logged in to the My Apps portal.

1. Gather your Northeast email address* and your prior My Apps password.
2. Access your My Apps portal (www.northeast.edu >Students>Access My Apps).
3. Enter your username/Northeast email address* and your My Apps password when prompted.
 - a. Your My Apps password may have expired because it must be updated every 90 days.
 - b. If you don't remember your password, you can reset it by clicking "Forgot My Password" on the Microsoft login page.

+For assistance to access the My Apps portal or locate a Claim Code, contact the Northeast Service Center at help@northeast.edu or (402) 844-4357.

*For assistance to locate your College ID or Northeast email address, contact an Enrollment Specialist at enroll@northeast.edu or (402) 844-7575.

COVID PRECAUTIONS

New Student Registration is an in-person event. The safety and comfort of our students, guests, faculty, and staff continues to be a top priority so the following precautions will be observed:

- Northeast is “mask-friendly”. Those who wish to wear a mask are encouraged to do so while attending this event.
- All students and guests are asked to reschedule their attendance if they have tested positive for or are experiencing symptoms (fever, dry cough, or shortness of breath) of COVID-19.

Additional events (in person and virtual) are scheduled throughout the summer. To reschedule your attendance to a later or virtual event, contact an Enrollment Specialist.
