PREAMBLE
Students enrolled at Northeast Community College (Northeast) are expected to conduct themselves in a mature and responsible manner. It is the policy of Northeast to allow students maximum freedom consistent with good scholarship and citizenship. Students are required to engage in responsible social conduct that reflects credit upon the college community and to model good citizenship in any community. Good citizenship implies high standards of conduct and requires conformity to the laws of the United States, the State of Nebraska, its subdivisions, and to Northeast Community College, Board Policies and Administrative Procedures, this Student Code of Conduct and other policies and procedures.

Northeast Community College (Northeast) students are responsible for knowing the information, policies, and procedures outlined in this document. ARTICLE III: PROSCRIBED CONDUCT

A. Jurisdiction of the Northeast Student Code of Conduct

The College Student Code of Conduct shall apply to conduct that occurs on College premises and at College-sponsored activities, and within online and virtual classes/events. Each student shall be responsible for his/her conduct during each academic year for which he/she is enrolled. The Student Code shall apply to a student's conduct if the student withdraws from school while a disciplinary matter is pending.

The Student Code of Conduct applies to behaviors that take place on the campus, at Northeast sponsored events and may also apply off-campus when Vice President of Student Services and/or the Dean of Students or designee determines that the off-campus conduct affects a substantial Northeast interest. A substantial Northeast interest is defined to include:

- Any situation where it appears that the student's conduct may present a danger or threat to the health or safety of him/herself or others; and/or
- Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or
- Any situation that is detrimental to the educational mission and/or interests of Northeast Community College.

The Student Code of Conduct may be applied to behavior conducted online, via email or other electronic medium. Students should also be aware that online postings such as blogs, web postings, chats, and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. Northeast does not regularly search for this information but may take action if and when such information is brought to the attention of Northeast officials.

Note that behavior that would constitute a violation of Board Policy and Procedures related to harassment and nondiscrimination will be handled under the procedures contained in (AP-1010.0). This includes discriminatory harassment, sexual harassment, sexual assault, dating violence, domestic violence, stalking, and other civil rights offenses as defined under that procedure. Questions regarding the scope of those policies and procedures may be directed to the Title IX Coordinator.

A decision reached by the Director of Student Conduct or his/her designee may be appealed by the accused student(s) or complainant(s) to the Appellate Board within three (3) working days of the decision. Accused students may appeal the sanction(s) for the following reasons: 1) inappropriate sanction (does not follow the Residence Halls or Student Services matrix of sanctions); 2) procedural defect during the initial investigation or meeting with College Official(s); 3) presence of new evidence. A Petition for Appeal form can be obtained from the Dean of Students, the Director of Student Conduct and/or the Director of Residence Life.

2. The appeal shall be limited to a review of the initial meeting with the Director or his/her designee and supporting documents. If there is new information and/or relevant facts which were not known to the accused at the time of the original meeting with the Director or his/her designee, the Appellate Board may allow said new information and/or relevant facts to be brought out if requested by the accused prior to the time for the appellate hearing as provided in Subparagraph 4 below.

3. The Appellate Board’s responsibility is:
   
a. To determine whether the meeting was conducted fairly in light of the charges and information presented and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Code or Residence Life Manual was violated and giving the accused student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures shall not be a basis for sustaining an appeal unless significant prejudice results.

b. To determine if the decision reached regarding the accused student was based on sufficient facts in the case to establish that a violation of the Student Code occurred.

c. To determine whether the sanction(s) imposed were appropriate for the violation of the Code or Residence Life Manual which the student was found to have committed.

4. The Appellate Board hearings shall be conducted according to the following guidelines:

a. Appellate Board hearings shall be conducted in private unless requested to be an open hearing by the accused or complainant. The hearing shall be not less than five (5) nor more than fifteen (15) work days after the student or accused has filed the appeal with the Director of Student Conduct or his/her designee. Maximum time limits for scheduling of this meeting may be extended at the discretion of the Director or his/her designee.

b. College faculty or staff member shall serve as the Chair of the Appellate Board.

c. The complainant and the accused student shall have the right to be assisted by an advisor of their choice, at their own expense. The advisor shall be a member of the College community and may not be an attorney. The complainant and/or the accused student is responsible for presenting his or her own information. Advisors shall only be permitted to speak at the hearing if requested by the complainant or accused prior to the hearing and approved by the Appellate Board Chair.

d. The complainant, accused student and their advisors, if any, shall be allowed to attend the entire portion of the Appellate Board hearing at which information and testimony is received (excluding deliberations). Admission of any other person to the Appellate Board hearing shall be at the discretion of the Appellate Board Chair.

e. In Appellate Board hearings involving more than one accused student, the Appellate Board Chair, at his or her discretion, may permit the Appellate Board hearing(s) concerning each student to be conducted either separately or jointly.

f. The Appellate Board Chair shall have the power to remove from the hearings any person whose conduct interferes with the hearings.

g. The complainant, the accused student, and the Appellate Board may arrange for witnesses to present pertinent information to the Appellate Board. If reasonably possible, the College will try to arrange the attendance of possible witnesses who are members of the College community and who are identified by the complainant and/or accused student at least two work days prior to the Appellate Board hearing. Witnesses will provide information to and answer questions from the Appellate Board. The accused Student, the complainant, and the Director of Student Conduct shall have the privilege of presenting witnesses, subject to the right of cross examination by the other party or parties. Witnesses may only be present during the hearing while testifying. It is the intent to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether certain information will be allowed to be introduced and considered at the hearing shall be resolved by the Appellate Board Chair.

h. Pertinent records, exhibits, and written statements (including Student Impact Statements) may be accepted as information for consideration by the Appellate Board at the discretion of the Appellate Board Chair.

i. All procedural questions are subject to the final decision of the Appellate Board Chair.

j. After the evidentiary portion of the Appellate Board hearing concludes in which all pertinent information has been received, the Appellate Board shall determine (by majority vote) whether the accused student has violated each section of the Code or Residence Life Manual which the student is charged with violating.

k. The Appellate Board’s determination shall be made on the basis of whether it is more likely than not that the accused student violated the Code or Residence Life Manual and whether the sanction imposed was reasonable and appropriate for the violation.

l. The fact that a student acted while under the influence of alcohol, marijuana, or an illegal controlled substance shall not be considered a mitigating factor.

m. Formal rules of process, procedure, and formal rules of evidence, as are applied in civil or criminal court proceedings, are applicable to these appellate proceedings.

5. There shall be a single verbatim record, such as an audio recording, of all hearings before the Appellate Board (not including deliberations). Deliberations shall not be recorded. The record and its contents shall be held in confidence and may be used only for the purpose of appeal to the Dean of Students or the Vice President of Student Services. In the event of such appeal, the complainant and the
accused student shall be given access to the record for purposes
of preparing the appeal. Access shall be provided at such places
and times as the Vice President of Student Services may direct.
The record shall be the property of the College.

6. If an accused student or complainant, with notice, does not appear
for a scheduled Appellate Board hearing, after having received
written notice of the same, the information in support of the
charges shall be presented and considered even if the accused
student is not present.

7. The Appellate Board may accommodate concerns for the personal
safety, well-being, and/or fears of confrontation of the complainant,
and/or other witnesses during the hearing by providing separate facilities, by using a visual screen, and/or by
permitting participation by telephone, videophone, closed circuit
television, video conferencing, or other means, as long as the ability
for cross examination of the witness is preserved, and where and
as determined is the sole discretion of the Appellate Board Chair
to be appropriate.

8. The Appellate Board Chair shall prepare written findings to support
the Board’s determination. These shall include:

a. Concise statements of each factual finding.
b. Brief explanations of whether factual findings justify a conclusion
that the conduct violated the Code or Residence Life Manual.
c. Recommendations concerning appropriate sanctions.
d. A copy of these findings will be presented to the Director of
Student Conduct, and mailed certified mail, return receipt
requested to the complainant and the accused student within
five (5) work days of the determination.
e. Cases involving sexual misconduct are handled by the Title IX
procedures.

9. The determination of the Appellate Board is final, unless new
information regarding the accusation is brought forth.

10. If new information is presented, the Dean of Students or the Vice
President of Student Services shall review the record on appeal and
render a written decision within fifteen (15) working days after
receipt of the Notice of Appeal. The Dean of Students or the Vice
President of Student Services shall send a copy of his/her decision
to the accused student and complainant by certified mail, return
receipt requested, within the fifteen (15) work days prescribed
above. The decision of the Dean of Students or the Vice President
of Student Services shall be considered final.

ACADEMIC INTEGRITY PROCEDURES

The Vice President of Educational Services shall appoint an Academic Integrity Officer(s) in consultation with the elected faculty governance leader. The Academic Integrity Officer(s) shall serve as the initial contact person(s) with faculty members when they report incidents of suspected academic integrity violations.

A faculty member who suspects that a student has committed a violation of the Northeast Community College Academic Integrity Procedures shall review with the student the facts and circumstances of the suspected violation as soon as the violation is discovered, preferably within three (3) workdays.

Thereafter, a faculty member who concludes that there has been an academic integrity violation of sufficient substance to affect the student’s course grade shall report the incident on the Faculty Report Form to the college’s Academic Integrity Officer(s) with the recommended sanctions for the academic integrity violation as soon as possible, preferably within three (3) working days of the incident.

Northeast will use a uniform reporting form which shall contain, at a minimum:
1. the name of the instructor.
2. the name of the student and students ID#.
3. the course name and CRN.
4. the date of the incident.
5. a description of the alleged incident.
6. the instructor’s contact information.

The Academic Integrity Officer(s) shall update the Faculty Report Form after a suspected incident has been resolved to reflect that resolution. Unless the resolution exonerates the student, as described in section 4. The Academic Integrity Officer shall place the Form in a confidential academic integrity file created for each student alleged to have violated the Academic Integrity Procedure and shall retain each form for the purposes of identifying repeat offenders, gathering data, and assessing and reviewing policies. Records of student academic integrity are a part of the students’ educational record until the student has graduated and it has been seven years from the date of the incident.

A. Determination on Academic vs. Disciplinary sanction.

The Academic Integrity Officer(s) shall determine whether to seek a disciplinary sanction in addition to an academic sanction. The Academic Integrity Officer(s) shall consult with the faculty member who initiated the case and may consult with student affairs and/or academic affairs administrators as needed. Before determining which sanction academic or disciplinary or both to seek, the Academic Integrity Officer(s) will consult the student’s confidential academic integrity file, if any, to determine whether the student has been found to have previously committed a violation of academic integrity, the nature of the infraction, and the sanction(s) imposed or action(s) applied.

Prior violations include violations at any location of Northeast Community College (Northeast).

The Academic Integrity Officer(s) should seek disciplinary sanctions only if there is (i) a substantial violation; or (ii) the student has previously violated the Procedure; or (iii) academic sanctions are unable to be imposed because the student has timely withdrawn from the applicable course.

Examples of substantial violations include but are not limited to: submission of someone else’s work as original work without proper citation, forging a grade from a transcript, stealing an examination from an instructor or a college office, having a substitute take an examination or taking an examination for someone else, having someone else write a paper for the student or writing a paper for another student, or sabotaging another student’s work through actions that prevent or impede the other student from successfully completing an assignment.

B. Procedures in Cases Involving Only Academic Sanctions

1. Student Admits to the Academic Dishonesty and Does Not Contest the Academic Sanction

   a. If a faculty member wishes to seek only an academic sanction (i.e., a reduced grade) and the student does not contest either their guilt or the particular sanction recommended by the faculty member, then the student shall be sanctioned accordingly, unless the Academic Integrity Officer(s) decides to seek additional disciplinary sanction(s). Faculty are encouraged to seek “teachable moments” for students when the violation is a first time offense. The sanction recommended may apply to the particular assignment as to which the violation occurred or to the course grade, at the faculty member’s discretion. A reduced grade may be an “F” or another grade that is lower than the grade that the student would have earned but for the violation.

   b. The faculty member shall inform the Academic Integrity Officer(s) of the resolution via email and the Officer(s) shall update the applicable Faculty Report Form to reflect that resolution.

2. Student Admits to the Academic Dishonesty but Contest the Academic Sanction

   a. In a case where a student admits to the alleged academic integrity violation but contests the particular academic sanction imposed, the student must submit their appeal within three (3) working days of the academic sanction imposed by the faculty of record through a request to the Academic Integrity Workgroup. Prior to the Academic Integrity Workgroup hearing, the academic division dean of record will meet with both the student and faculty involved to discuss the disputed academic integrity violation for possible resolution of the academic integrity violation.

   b. The student shall, be allowed, at a minimum, an opportunity to present a written position with supporting evidence. The Workgroup reviewing the appeal shall issue a written decision explaining the justification for the academic sanction imposed.
c. The Academic Integrity Workgroup shall conduct the appeal hearing of the accused students' academic incident not less than five (5) workdays nor more than fifteen (15) workdays after the student has contested the recommended faculty sanction for academic dishonesty.
d. All decisions of the Academic Integrity Workgroup are final.

3. Student Denies the Academic Dishonesty

a. In a case where a student denies the academic dishonesty, the academic division dean of record will meet with both the student and faculty involved to discuss the disputed academic integrity violation. If no resolution exists then a fact-finding determination shall be made by the Academic Integrity Workgroup.
b. The Academic Integrity Workgroup shall conduct a hearing of the accused student incident not less than five (5) work days nor more than fifteen (15) workdays after the student has contested the recommended faculty sanction for academic dishonesty.
c. All decisions of the Academic Integrity Workgroup are final.

4. Required Action in Cases of No Violation

a. If either the Academic Integrity Workgroup or the Faculty-Student Disciplinary Workgroup finds that no violation occurred, the Academic Integrity Officer(s) shall remove all material relating to that incident from the student's confidential academic integrity file and destroy the material.

The advisor, instructor, counselor, or staff member will attempt to informally resolve any complaints between the particular College department or staff member and the student.

The grievance may be based upon an event(s) or condition(s) which affects the welfare of the student. In the event that the grievance concerns a College policy or procedure, the Associate Vice President of Human Resources shall become the accused for purposes of this grievance procedure. Within five (5) College working days after the written complaint has been filed, the accused, his/her immediate supervisor, and the appropriate divisional vice president shall meet and review the grievance. The grievant or the accused shall have the right to strike any of the committee members selected from the employee groups or the Student Leadership prior to the hearing. Any stricken committee member shall be replaced by a new member selected by either the president of that employee group or by the Dean of Students. The committee chairperson shall be elected by the members of the Grievance Committee. The Grievance Committee shall issue a decision either supporting or not supporting the grievance within five (5) College working days and shall file a "Formal Grievance Disposition" with the Human Resources Office. The Human Resources Office shall hand deliver or send the "Formal Grievance Disposition" to the grievant and the accused, or certified mail, return receipt requested, within three (3) College working days of the receipt of the "Formal Grievance Disposition". Step Three - If the grievance is not resolved in Step Two and the grievant or the accused desires to pursue the grievance, the grievant or the accused must submit the "Formal Student Grievance Report" to the Dean of Students within five (5) College working days of either the grievant's or accused's acceptance of the "Formal Grievance Disposition" rendered by the Grievance Committee in Step Two. The Dean of Students shall review the grievance and shall issue a written decision to support or not support the grievance within five (5) College working days of the
submission of the grievance with the Dean of Students and shall file the same in the Human Resources Office. The Human Resource Office shall provide copies of the Dean of Students written decision to the grievant and the accused by certified mail, return receipt requested, or hand deliver within three (3) College working days of the Dean of Students filing his/her decision in the Human Resources Office. The Human Resources Office shall also provide a copy of the disposition to the Student Leadership President. Decisions rendered by the Dean of Students are final within the College.

1. The failure of the grievant or the accused to act within the prescribed time limits will act as a bar to any further appeal.
2. The failure of the Grievance Committee or the designated administrator to give a written decision within the prescribed time limits shall permit the grievance to proceed to the next step.
3. Any grievances not appealed within the time limits shall be deemed settled on the basis of the Grievance Committee or designated administrator’s last written response.
4. Time limits may be extended at any step by mutual consent of both parties involved. Notice of any such extended time limits shall be provided to the Human Resources Office in writing, at which time the new date shall be controlling.

SECTION D. SEPARATE GRIEVANCE FILE
All documents, communications, and records dealing with the processing of a grievance involving a student shall be filed in a separate grievance file and shall not be kept in the student file or the employee file of any participant until the final decision is rendered, at which time the disposition will be placed in the student or employee file.

SECTION E. DOCUMENTATION
1. Step 1 - Time, date, who attended, and a copy of the signed written agreement, if resolved at this level, is to be filed with the parties involved and the Human Resources Office.
2. Step 2 - The Formal Grievance Disposition will be completed and signed by the chairperson of the Grievance Committee.
3. Step 3 - The Dean of Students will submit a written decision to the Human Resources Office.
4. A recording of the proceedings in Step 2 shall be made and shall be the official transcript of the proceedings; no other recordings shall be permitted.

SECTION F. RETRIBUTION OR RETALIATION
Under no circumstances will any person who in good faith files a grievance or assists in a hearing and/or investigation be subject to any form of retribution or retaliation. Any person who makes or participates in such retribution or retaliation, directly or indirectly, will be subject to disciplinary action. A person who believes he or she has been or is being subjected to retribution or retaliation should immediately notify the Associate Vice President of Human Resources or his or her designee (employees) and/or the Vice President of Student Services or his or her designee (students).

None of the meetings and hearings under these procedures shall be conducted in public, except as provided in this procedure, and shall include only the grievant, the accused, committee members, and individuals called to give testimony.

Costs associated with additional copies of materials, reports, certified mail, or written transcripts requested by the grievant and not identified in these procedures shall be paid by the grievant.
