

FRIDAYS @ NORTHEAST

The Fridays @ Northeast program is an opportunity for high school seniors to spend Fridays on our Norfolk, O'Neill or South Sioux City campuses as college students using our lab spaces and classrooms. The courses offered allow introduction to a variety of technical programs and lead into a program of study upon high school graduation. Students are registered on a first-come, first-served basis. Classes are taught by certified instructors. Please pay special attention to the term schedule for each class. Students will be able to receive high school credit in addition to college credit per approval of their high school.

BUSINESS & TECHNOLOGY

Introduction to Inventor - ARCH 2260

This course offers an introduction to basic drafting concepts and practices through the use of AutoDesk Inventor. The students will develop an understanding of how industry uses this software to quickly create 3-D objects. The student will learn the process of creating basic shapes to build solid models, create assemblies of multiple objects, create animations, and do final working drawings. CRN #25374

NORFOLK: Spring term, January 12– May 3, 2024 | Fridays, 8:00 am – 2:00 pm

CRIMINAL JUSTICE

Introduction to Corrections – CRIM 1020

Outlines corrections in a systematic process showing the evolving changes within institutional and community-based corrections. Topics include, but are not limited to the history of corrections, the influence of social thought and philosophy on the development of corrections, the rights of the incarcerated inmate and the duties of the correctional officer. This class will meet in person and include an online component. 3.0 credit hours. CRN #25684

NORFOLK: Spring term, January 12– May 3, 2024 | Fridays, 9:00 – 10:15 am

EARLY CHILDHOOD EDUCATION

In the Fridays @ Northeast program, you will take four college classes that can be applied to an Associate's degree from Northeast Community College. The courses also meet the formal early childhood education required for a Child Development Associate* (CDA) National Credential. In addition to the four courses, the CDA credential requires 480 hours of professional work experience, a CDA Professional Portfolio, a CDA Verification Visit, and successful completion of the CDA exam. Visit www.cdacouncil.org for additional information about the CDA.

Preschool Child Development – ECED 1120

This course focuses on typical-atypical development of the child ages three to five years in the domains of physical growth and motor skills, cognition and language, and social-emotional development. Students can choose to attend this class in person, virtual or online. 2.0 credit hours. CRN #25837

NORFOLK: Spring term, January 12– May 3, 2024 | Fridays, 9:00 – 10:15 am

Health, Safety and Nutrition – ECED 1260

This course addresses the interrelatedness of health, safety and nutrition in the life of a young child, birth through age eight. Practices that assess and promote good health are introduced. Effective control of communicable diseases and acute illnesses found in the early childhood years and early education settings is addressed. Safety management and the handling of child abuse and neglect are examined. Students learn appropriate nutritional guidelines and practices for planning meals and snacks in the classroom. Students can choose to attend this class in person, virtual or online. 3.0 credit hours. CRN #25838

NORFOLK: Spring term, January 12– May 3, 2024 | Fridays, 10:30 – 11:45 am

HEALTH AND WELLNESS

Emergency Medical Technician Part 2 – EMTL 1845

Both courses are dedicated to the study and application of the knowledge and skills necessary for an individual to become an Emergency Medical Technician and provide emergency medical care at a basic life support level with an ambulance service or other specialized service. The courses will include the applications/skills needed to apply for licensure at an EMT level in the State of Nebraska. After successful completion of course EMTL 1840 and EMTL 1845, the student will be eligible to apply to test for the National Registry of Emergency Medical Technician (NREMT) cognitive examination as long as the student is 18 years of age. Once the student has passed both the cognitive and practical skills examinations of the NREMT he/she can apply to obtain an EMT license in the state of Nebraska. The classes contain the current information found in the National EMS Education Standards as outlined by the National Highway Traffic Safety Administration. Student must have current CPR certification, American Heart Association – Healthcare Provider Level or equivalent. EMTL 1840 (Part I), 4.5 credit hours; EMTL 1845 (Part 2), 5.0 credit hours. Must complete all 9.5 credit hours to apply to test.

NORFOLK: Spring term, January 12– May 3, 2024 | Fridays, 8:00 am – 2:00 pm |
Part 2 - CRN #25396

Comprehensive Medical Terminology – HLTH 1060

This course establishes a solid foundation of prefixes, suffixes, word roots, abbreviations, medical terms and symbols. It emphasizes understanding the medical vocabulary as it applies to the anatomy, physiology, pathology, diagnostic procedures and therapeutic procedures of the human body. This class will meet in person and include an online component. 3.0 credit hours.

NORFOLK: Spring term, January 12– May 3, 2024 | Fridays, 11:30 am – 2:00 pm | CRN #25809

O'NEILL: January 12 – May 3, 2024 | Fridays (Hybrid), 11:30 am – 1:00 pm | CRN #25184

Medication Aide – HLTH 1120

This course is designed to prepare the student to assume the role and responsibilities of a Medication Aide working in a nursing facility. This course includes information regarding medication administration, pharmacology rules and regulations, classification of drugs, orders, storage, abbreviations and an overview of commonly used drugs and documentation. 3.0 Credit Hours. **Attendance at all class sessions is required per State of Nebraska course regulations.*

NORFOLK: Spring term, January 12– May 3, 2024 | Fridays, 8:00 – 11:00 am | CRN #25759

O'NEILL: January 12 – May 3, 2024 | Fridays, 8:00 am – 11:00 am | CRN #26027

Nurse Aide – NURA 1110

This course is designed to meet the Nebraska Health and Human Services System training requirement for nurse aide certification and employment in long-term care facilities. The course combines classroom lecture and laboratory applications for the development of basic skills needed to provide safe, effective and caring services to the elderly or chronically ill patients of any age in a long-term care facility. Upon completion of this course, the student is eligible to take the state written and practical skills exam. After successfully passing this examination and completing the application procedure, the student's name will be placed on the basic nurse aide registry at the Nebraska Health and Human Services Regulation and Licensure, Credentialing Division. NURA 1110, 3.0 Credit Hours. **Attendance at all class sessions is required per State of Nebraska course regulations*

NORFOLK: January 12 – May 3, 2024 | Fridays (Hybrid), 11:00 am – 2:00pm | CRN #25764

SOUTH SIOUX CITY: January 12 – May 3, 2024 | Fridays, 8:00 am – 2:00 pm | CRN #25765

THE FOLLOWING COURSES ARE BEING OFFERED ON FRIDAYS ONLY, BUT ARE NOT PART OF THE FRIDAYS @ NORTHEAST PROGRAM.

Students will be responsible for tuition, books and any supplies required for the course.

Drawing Logic I - ARTS 1250/GCAD 1250

Fundamental principles of drawings and perspective based on observation and imagination. 3.0 credit hours; ARTS 1250 - CRN #20003; GCAD 1250 – CRN #21739
