

FRIDAYS @ NORTHEAST

The Fridays @ Northeast program is an opportunity for high school seniors to spend Fridays on our Norfolk, O'Neill, or South Sioux City campuses as college students using our lab spaces and classrooms. The courses offered allow introduction to a variety of technical programs and lead into a program of study upon high school graduation. Students are registered on a first-come, first-serve basis and classes are taught by certified instructors. Please pay special attention to the term schedule for each class. Students will be able to receive high school credit in addition to college credit per approval of their high school.

GRAPHIC DESIGN

Layout & Design I – GCAD 1500

An introductory level course using industry standard page layout software, with an emphasis toward developing expressive designs that communicate. 3.0 credit hours. CRN #24737
