WHAT'S AN ELEVATED INTERNSHIP?

ELEVATED EXPERIENCES

Students can gain hands-on work experience and make informed career choices.

NETWORK & MENTORSHIP

Every intern is paired with a professional mentor to guide them and foster their professional growth.

HOLISTIC DEVELOPMENT

Students are introduced to an organization's culture, values, and expectations and get to participate in meaningful and challenging projects.

WHAT SETS US APART FROM OTHER INTERNSHIP OPPORTUNITIES?

	internNE <small>Powered by Aksarben</small>	Other Internships
Mentor guaranteed	✓	✗
Events crafted for networking	✓	✗
Paid internships	✓	?
One portal for all job opportunities	✓	✗
Statewide opportunities	✓	✗

Eligible Students

An eligible student is any person who:

1. Is in eleventh or twelfth grade in a public or private high school; or
2. Is enrolled in a college, university, or other institution of higher education; or
3. Is hired and begins their internship within twelve months following graduation from a college, university, or other institution of higher education.

Students employed by the business must start on or after the business' application date. Students who start before the business' application date are not eligible for InternNE positions.

Leading you
to your future.

The Steps to Starting Your Elevated Internship

- 1.** Sign up through Symplicity
- 2.** Create a profile
- 3.** Apply for a job
- 4.** Look for events and other opportunities in Nebraska

Symplificity

The screenshot displays the internNE website interface. At the top left is the logo "internNE" with "Powered by Aksofen" below it. To the right is a search bar and navigation links for "Jobs", "Employers", and "Resources". A user profile icon with a notification badge is in the top right corner.

The main content area features five feature cards:

- Experiential Learning**: Gain experience with co-ops or internships.
- Career Explorer**: Learn about popular careers and leading industries.
- Career Finder**: Take our quiz and get career suggestions.
- Public Profile**: Showcase your academic and professional achievements.
- Add a Resume**: Upload a resume to get started with your job search.

A light blue banner prompts the user to "Update your Career Interests" with the text "You're almost there! Tell us more about your career interests to get personalized recommendations." and buttons for "Update Career Interests" and "Remind Me Later".

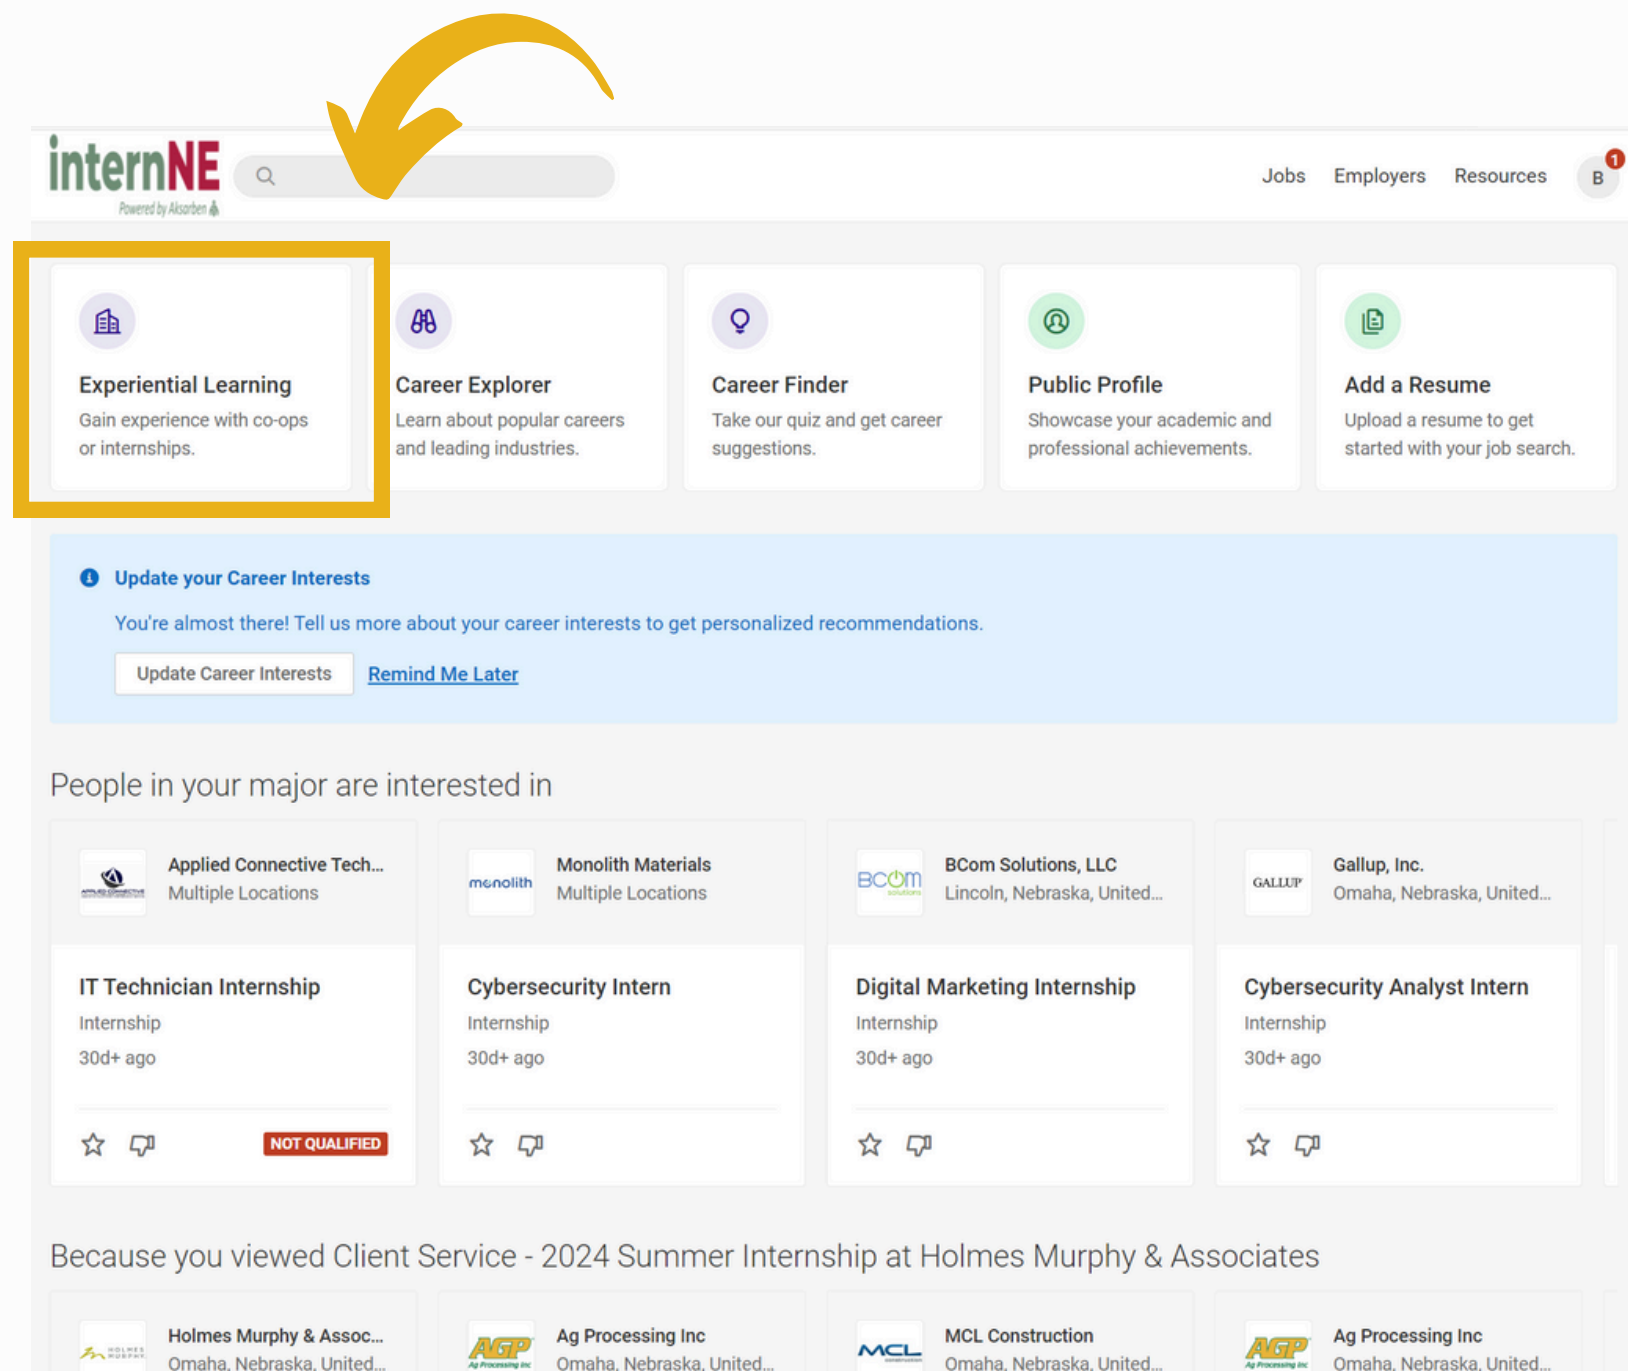

Below this is a section titled "People in your major are interested in" showing four job listings:

- Applied Connective Tech...** (Multiple Locations): IT Technician Internship, Internship, 30d+ ago. Status: NOT QUALIFIED.
- Monolith Materials** (Multiple Locations): Cybersecurity Intern, Internship, 30d+ ago.
- BCom Solutions, LLC** (Lincoln, Nebraska, United...): Digital Marketing Internship, Internship, 30d+ ago.
- Gallup, Inc.** (Omaha, Nebraska, United...): Cybersecurity Analyst Intern, Internship, 30d+ ago.

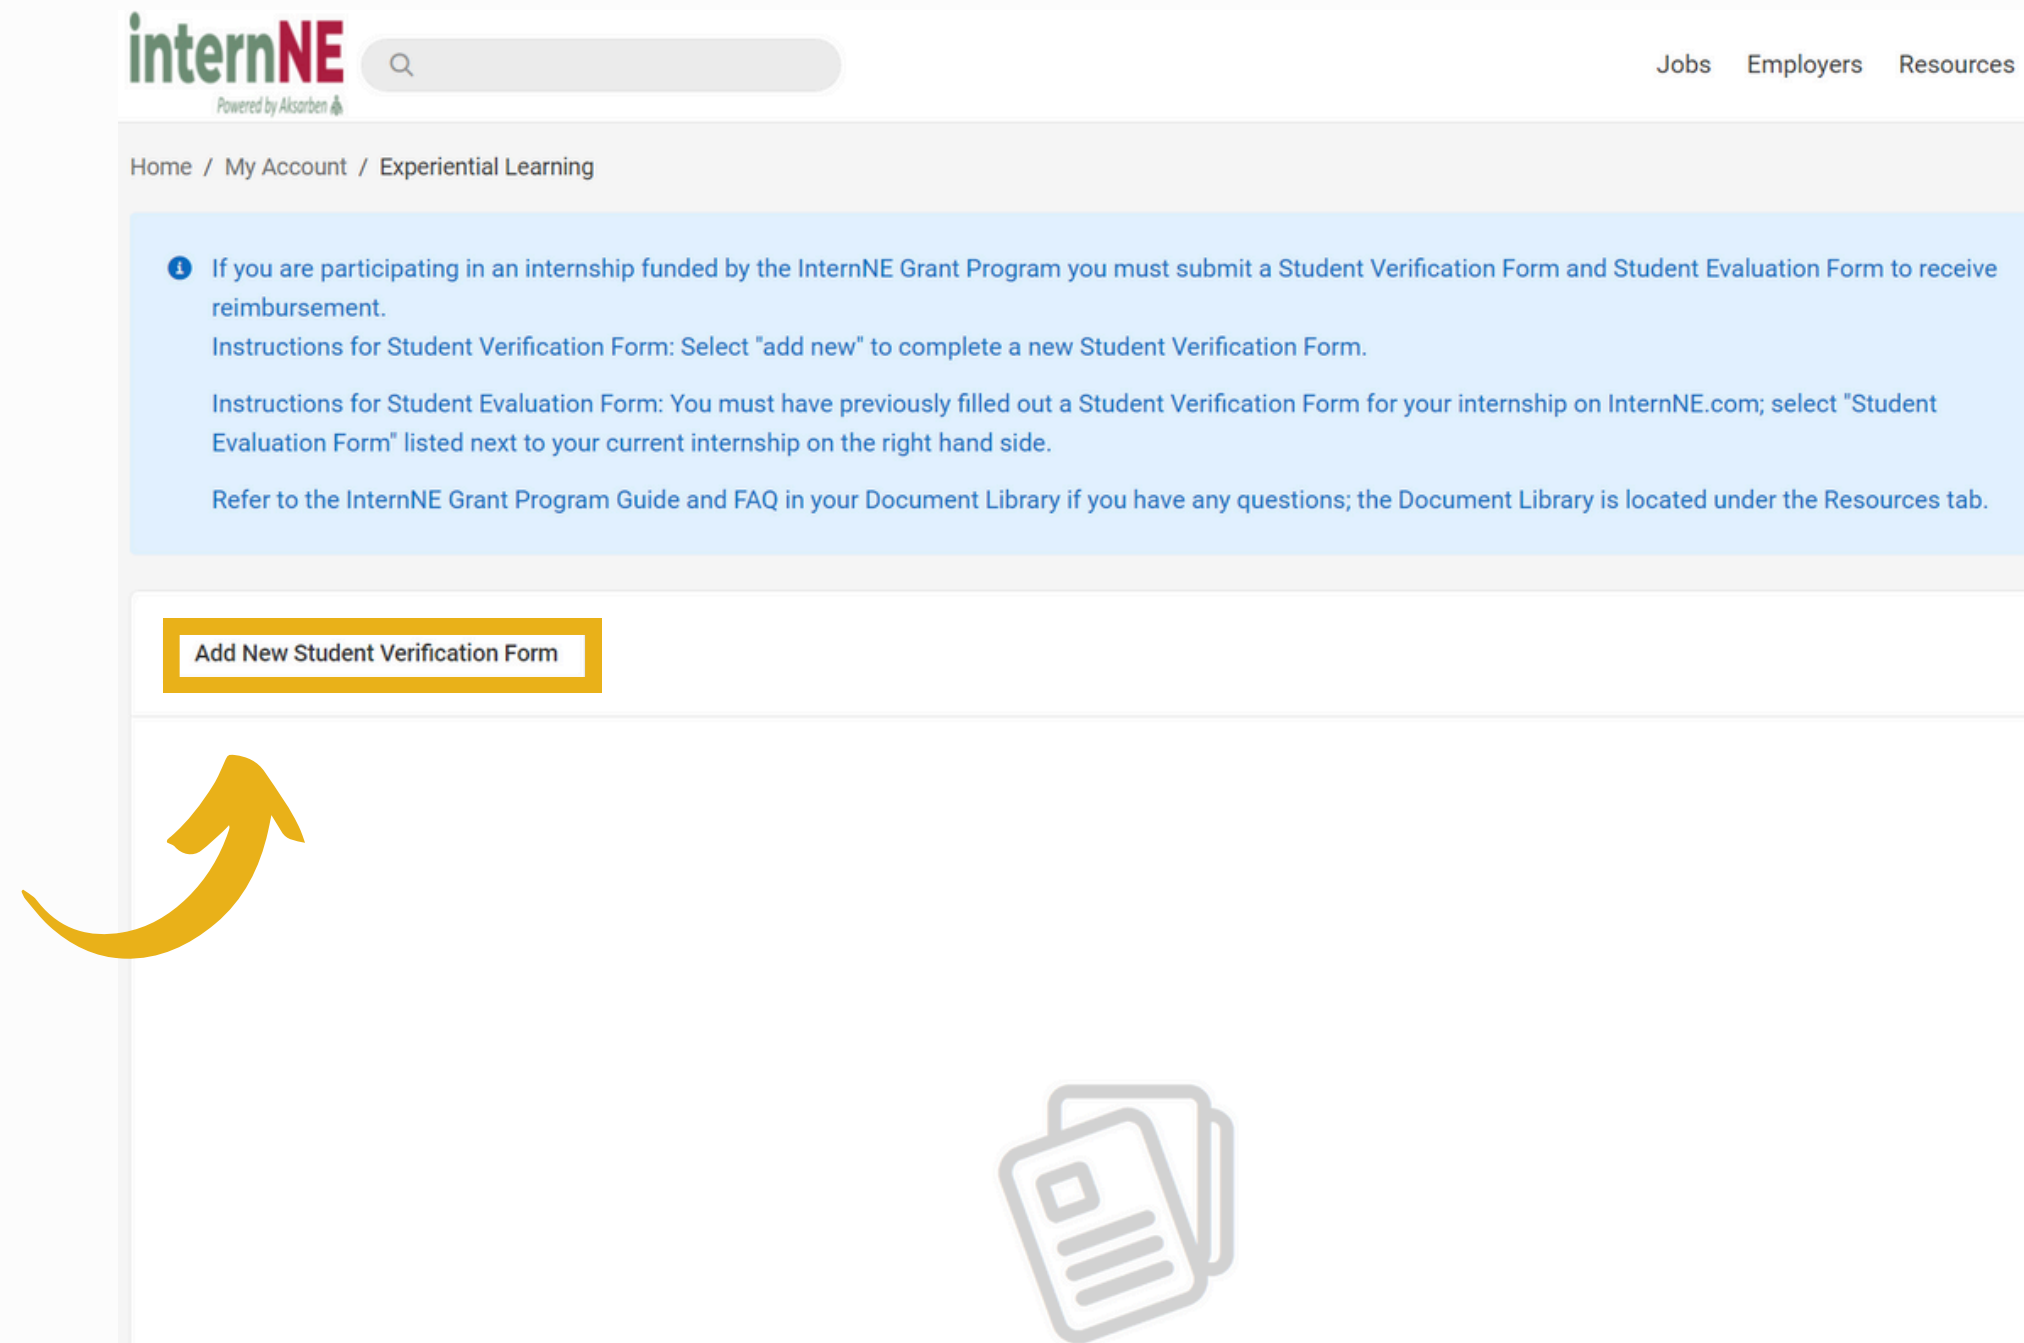

At the bottom, a section titled "Because you viewed Client Service - 2024 Summer Internship at Holmes Murphy & Associates" shows four related job listings:

- Holmes Murphy & Assoc...** (Omaha, Nebraska, United...)
- Ag Processing Inc** (Omaha, Nebraska, United...)
- MCL Construction** (Omaha, Nebraska, United...)
- Ag Processing Inc** (Omaha, Nebraska, United...)

Experiential Learning

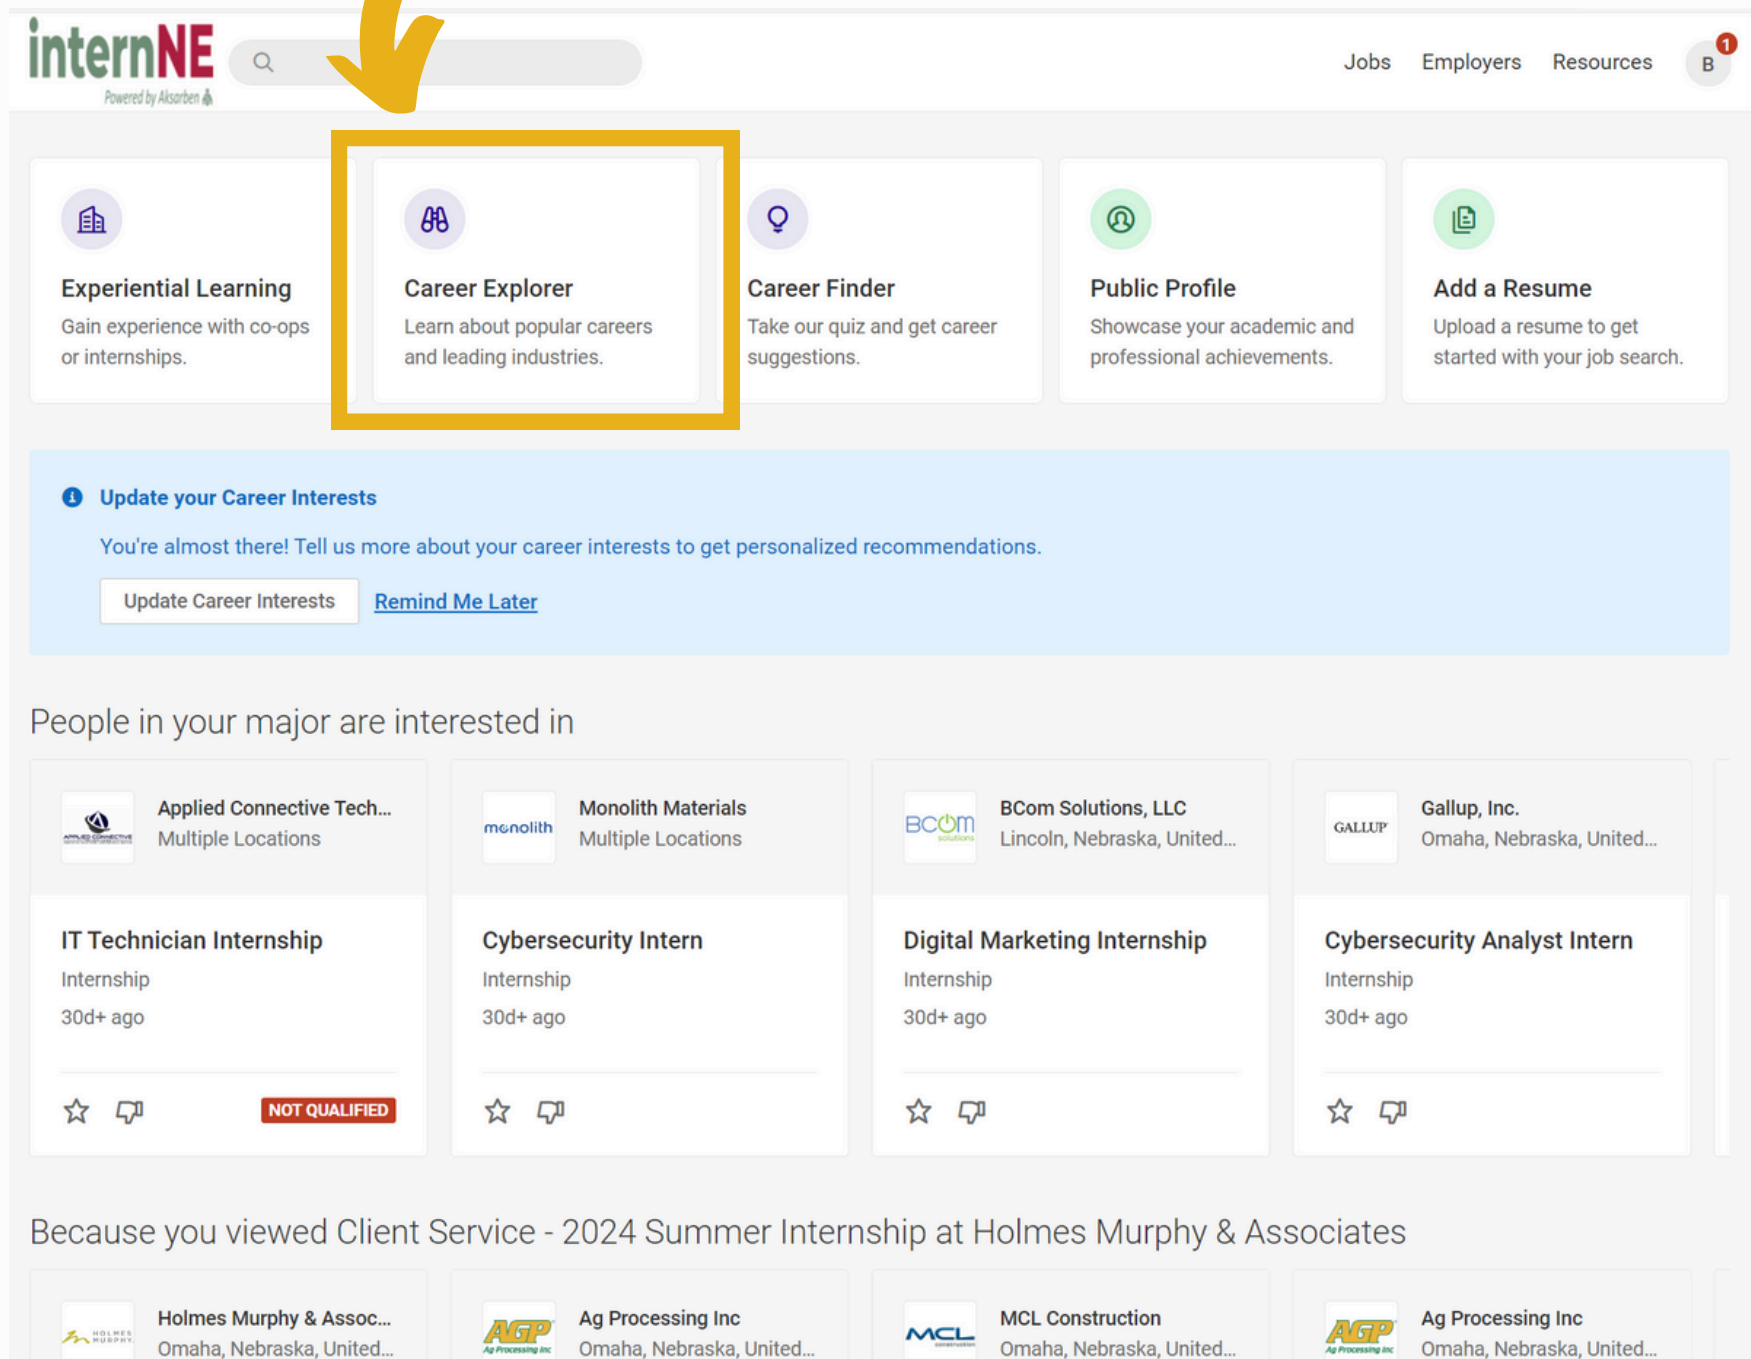

The screenshot shows the InternNE homepage. A yellow arrow points from the top right towards the 'Experiential Learning' tile in the main navigation menu. The tile is highlighted with a yellow border. Below the navigation menu, there is a blue banner for 'Update your Career Interests' with buttons for 'Update Career Interests' and 'Remind Me Later'. Below that, there is a section titled 'People in your major are interested in' with four job listings: 'IT Technician Internship' (Applied Connective Tech...), 'Cybersecurity Intern' (Monolith Materials), 'Digital Marketing Internship' (BCom Solutions, LLC), and 'Cybersecurity Analyst Intern' (Gallup, Inc.). At the bottom, there is a section titled 'Because you viewed Client Service - 2024 Summer Internship at Holmes Murphy & Associates' with four job listings: 'Holmes Murphy & Assoc...', 'Ag Processing Inc', 'MCL Construction', and 'Ag Processing Inc'.

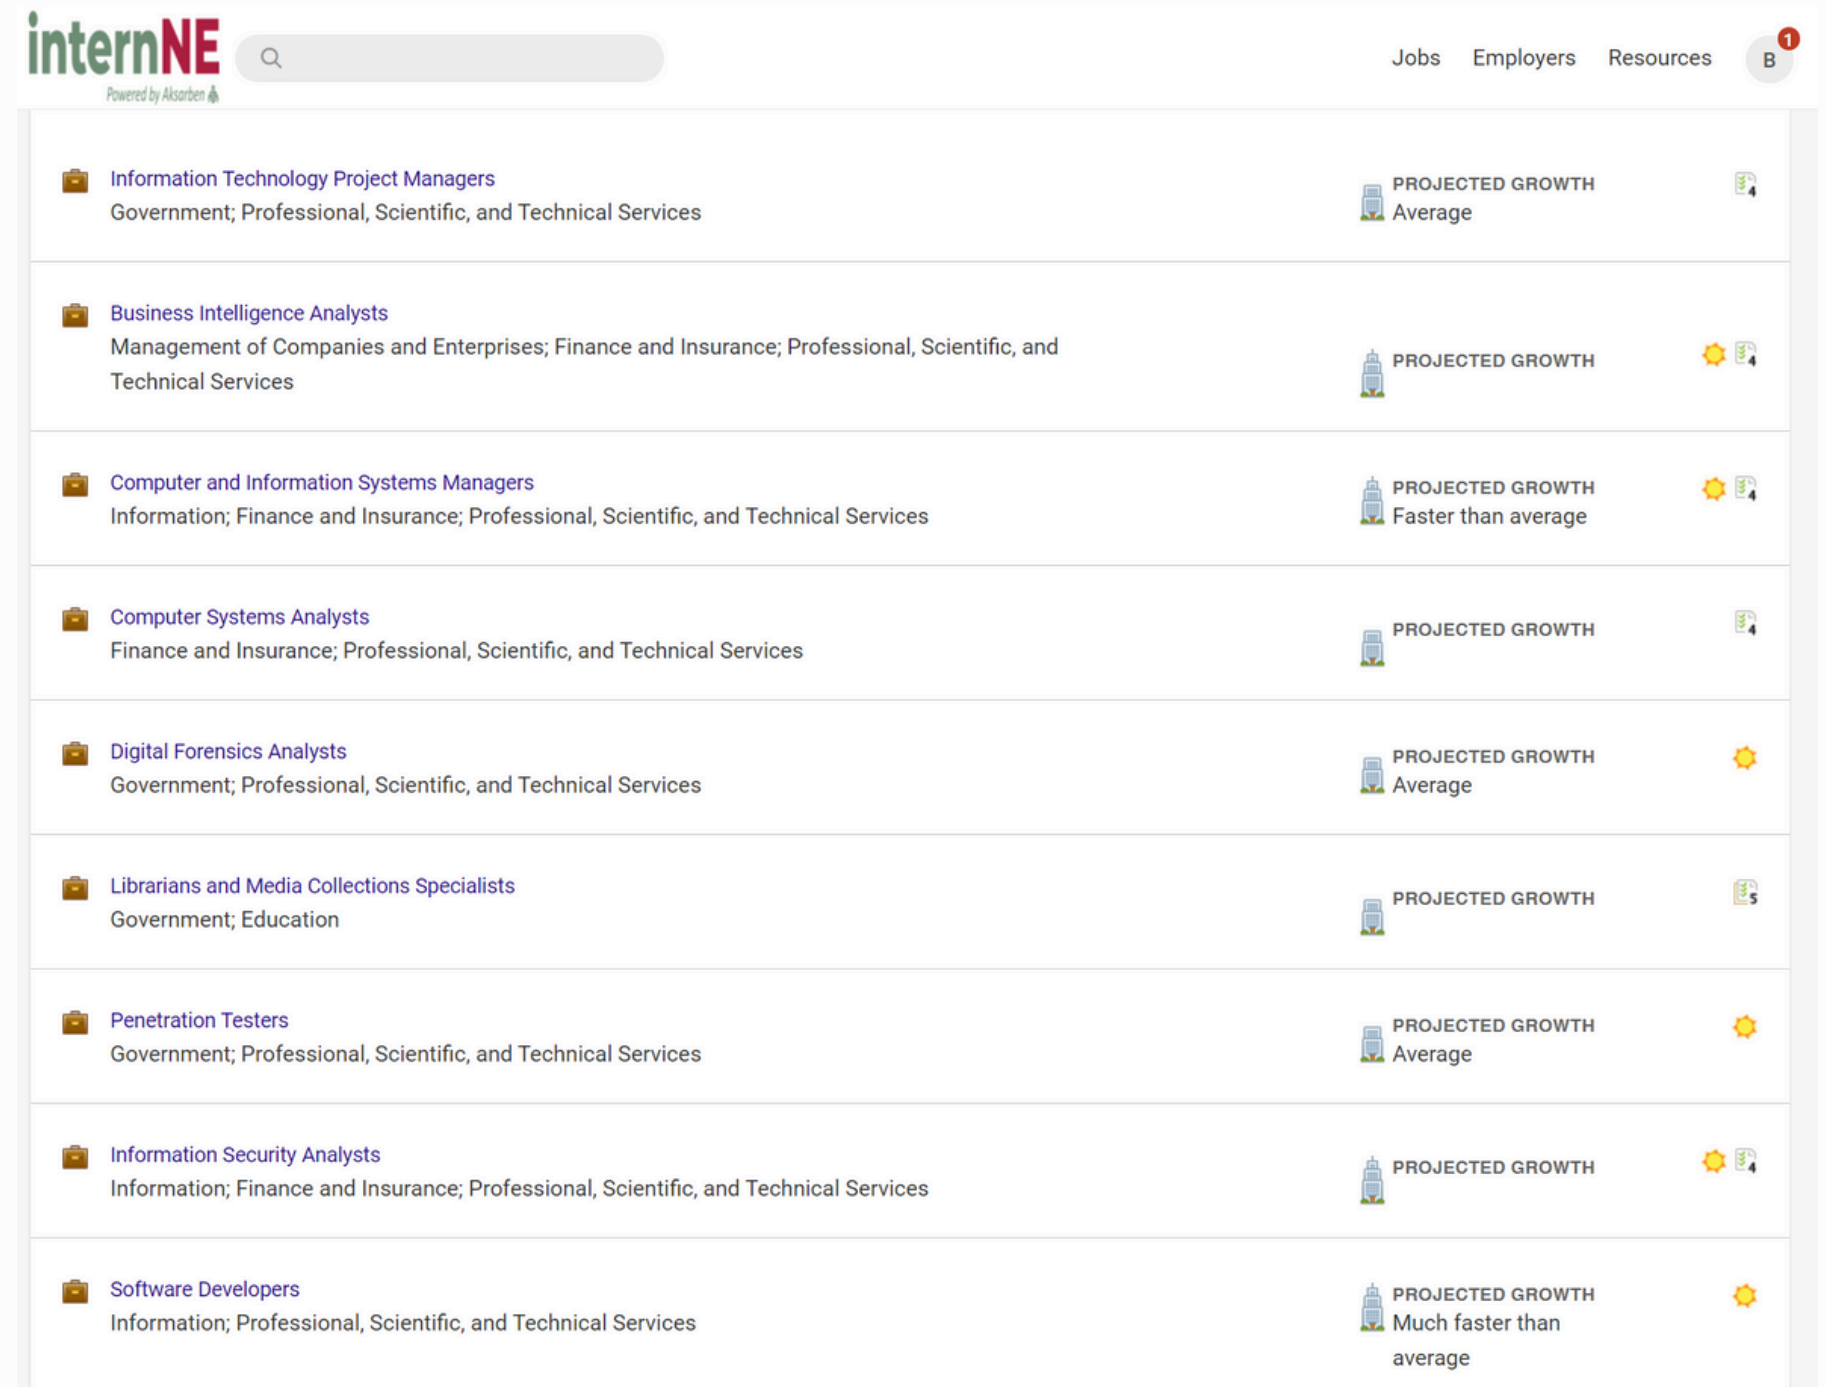

The screenshot shows the 'Experiential Learning' page on InternNE. A yellow arrow points from the bottom left towards the 'Add New Student Verification Form' button. The page features a blue banner with information about submitting forms for reimbursement, including instructions for the Student Verification Form and Student Evaluation Form. Below the banner, there is a yellow button labeled 'Add New Student Verification Form'. At the bottom right, there is a faint icon of a document.

Career Explorer

The screenshot shows the internNE homepage. The 'Career Explorer' tile is highlighted with a yellow box and a yellow arrow pointing to it from the top left. Below the main navigation, there is a section for 'Update your Career Interests' with a button and a link. The 'People in your major are interested in' section displays four job listings from various companies, including Applied Connective Tech, Monolith Materials, BCom Solutions, LLC, and Gallup, Inc. At the bottom, there is a section for 'Because you viewed Client Service - 2024 Summer Internship at Holmes Murphy & Associates' with four related job listings.

The screenshot shows a list of career paths on the internNE website. Each entry includes a job title, a list of industries, and a 'PROJECTED GROWTH' indicator with a sun icon and a number. The entries are:

- Information Technology Project Managers: Government; Professional, Scientific, and Technical Services. PROJECTED GROWTH Average.

Job Description

MCL Construction is a dynamic and rapidly growing commercial construction company committed to excellence in delivering high-quality projects. We are known for our dedication to detail, innovative solutions, and a strong focus on customer satisfaction.

MCL Construction is searching for Field Engineer and Project Engineer Interns to join our team! As an intern, you will support the field and project operations team and may be exposed to office engineering functions and estimating. The Intern will work closely with a project's superintendent, project manager and develop working relationships with MCL's project team, subcontractors, and Owner representatives. This internship offers an opportunity to learn from experienced professionals in the construction industry and contribute to the success of projects.

Essential Duties and Responsibilities:

- Assist Project managers, Superintendents, and/or Project Engineers in project areas which may include:
 - Interpretation of drawings and specifications for field crews
 - Preparation of work plans, packages, and estimates
 - Management of subcontractors, material suppliers, and MCL crews
 - Field/site survey and layout
 - Compiling and processing time sheets
 - Jobsite safety reviews, meetings, and training
 - Exposure to ordering and scheduling material deliveries

choose “Not Applicable -
High School Student

The screenshot shows the internNE job search interface. At the top, there is a search bar and navigation links for Jobs, Employers, and Resources. Below the search bar, there are tabs for Search, Saved, Applications, and Expired Jobs. The main search area includes fields for Keywords, Location, and a 25mi radius dropdown, along with a Search button. Below this, there are dropdown menus for Show Me, Position Type, Industry, Remote/On-Site, and More Filters. The 'More Filters' dropdown is open, showing the 'Desired Majors' section. In this section, the 'Not Applicable - High School Student' option is selected. Other options include Agriculture, Arts & Design, Business, Computer Science & Engineering, Education, Health and Physical Sciences, and Professional. At the bottom of the filter panel, there are buttons for Clear, Cancel, and Apply.

Career Finder

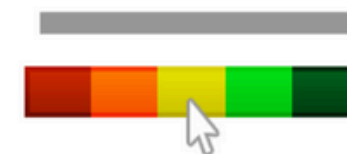

The screenshot shows the main navigation menu with 'Jobs', 'Employers', and 'Resources' (with a notification badge). Below the menu are five tiles: 'Experiential Learning', 'Career Explorer', 'Career Finder' (highlighted with a yellow box and arrow), 'Public Profile', and 'Add a Resume'. A blue banner below the tiles prompts the user to 'Update your Career Interests'. At the bottom, there are job listings for various companies like Applied Connective Tech, Monolith Materials, BCom Solutions, and Gallup.

The page is titled 'Welcome to the Career Finder'. It features an illustration of diverse professionals. The text explains that the tool helps users discover their interests and how they relate to the world of work. It includes a 'Get Started' button and a footer with 'POWERED BY simplicity' and 'Privacy Policy | Terms of Use'.

Here's how it works...

Answer a Set of Short Questions

About work activities that some people do on their jobs. Read each question carefully and decide how you would feel about doing each type of work.

Respond Quickly and Instinctively

Try NOT to think about if you have enough education or training to do the work; or how much money you would make doing the work. Just think about if you would like or dislike doing the work.

There is No Wrong Answer

There is no need to rush! You are learning about your interests, so that you can explore work you might like and find rewarding!

Hybrid H3 Industry Panel Discussion for Students

This event is tailored to provide students with valuable insights into various job opportunities available through internNE companies. It offers a unique platform for networking and engagement with panelists and peers. Because the panel discussion will be available online, content from this session can be reused and repurposed.

HOW IT WORKS

HYBRID H3 INDUSTRY PANEL DISCUSSION FOR STUDENTS

Dynamic Panel Discussion:

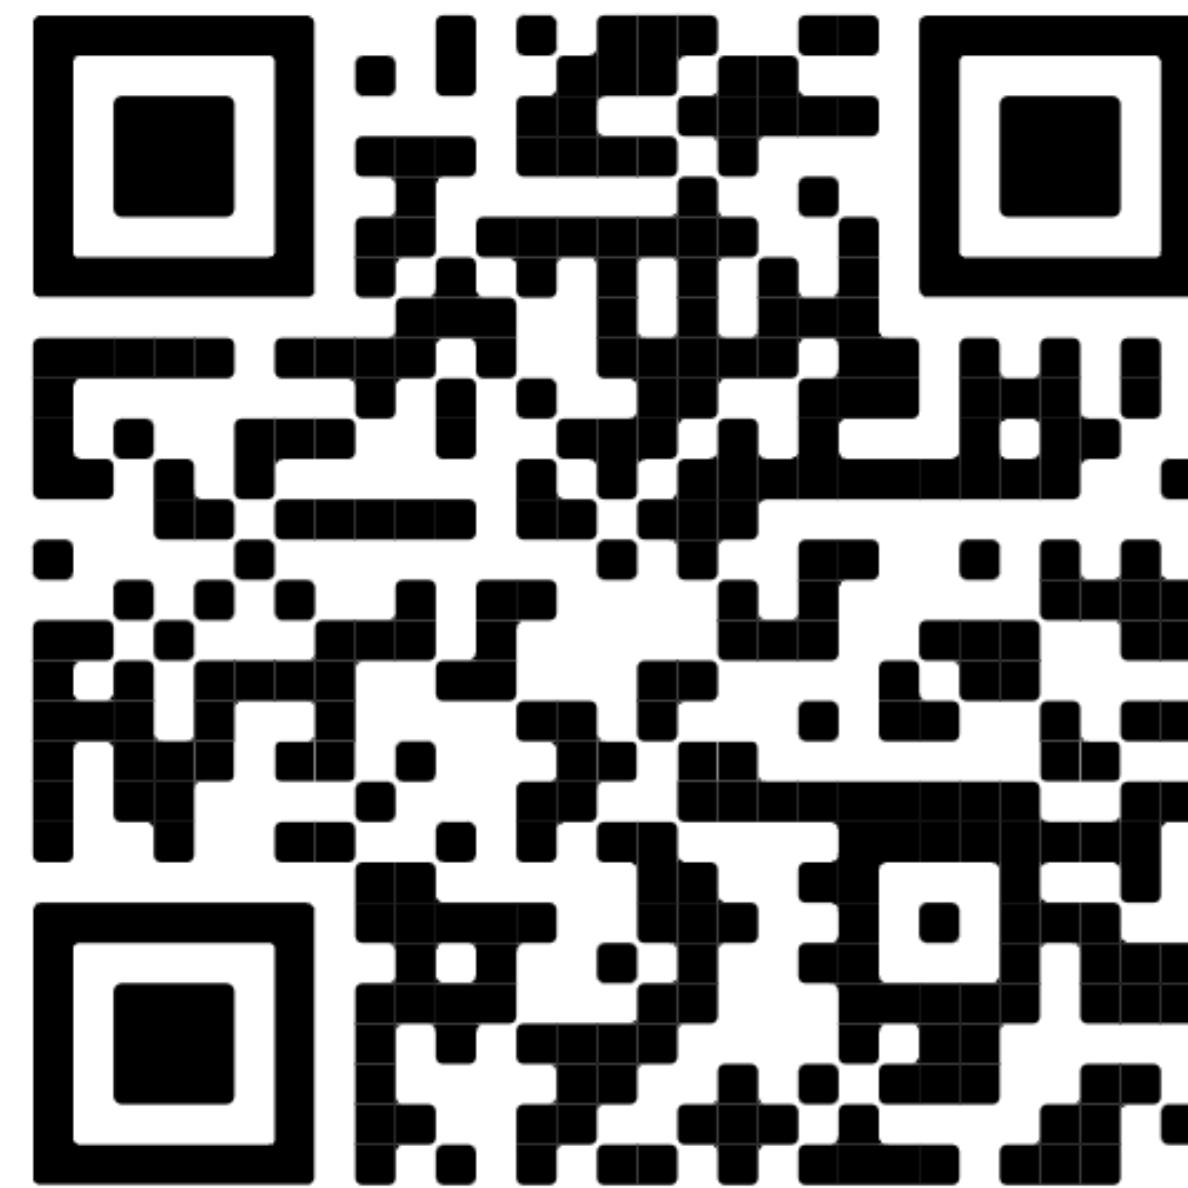

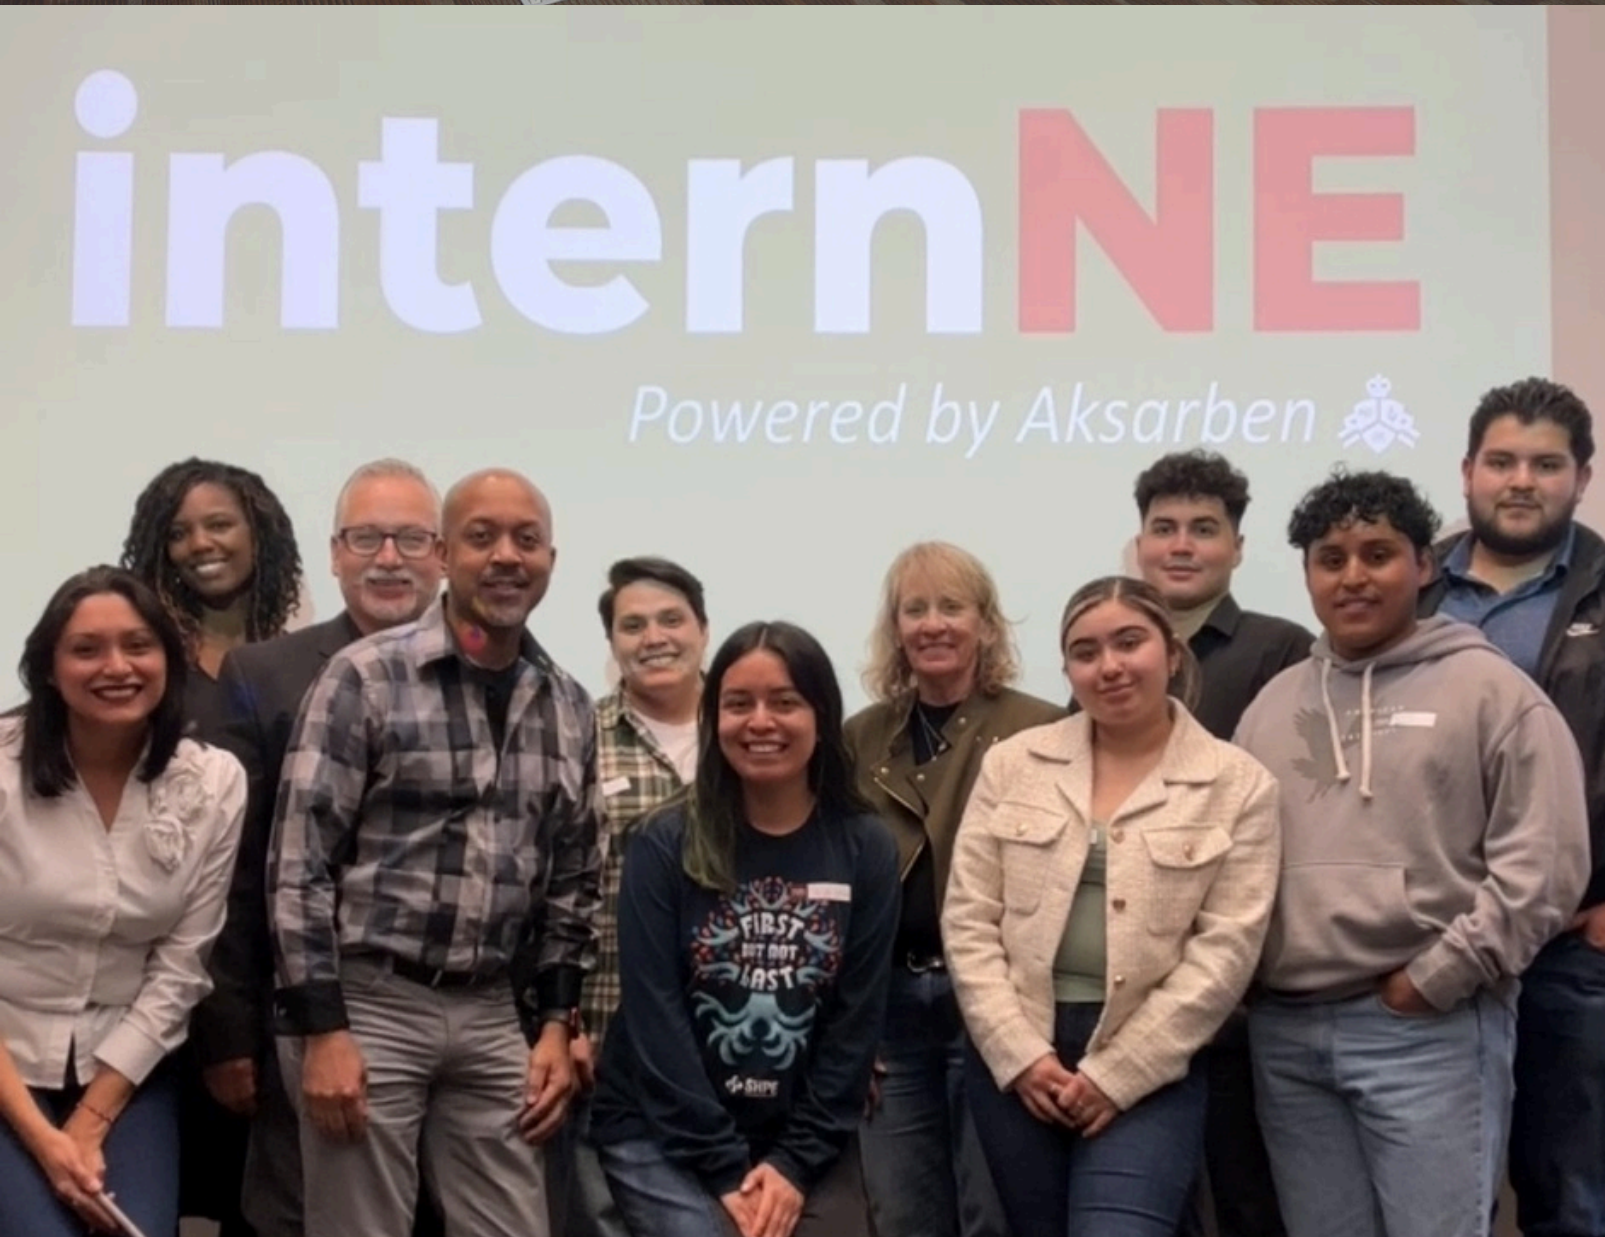

Diverse panelists offer firsthand experiences and insights into H3 careers in Nebraska. Moderated discussion highlights opportunities and challenges in each sector.

Focus on Opportunities:

Showcase the breadth of career paths available within the H3 framework. Highlight the interconnectedness of industries and the potential for cross-disciplinary skills.

Interactive Q&A:

Students engage directly with panelists, seeking advice and guidance.
