CORE COMPETENCIES

Facebook. Twitter. Snapchat. Social networking has changed the means by which we interact with one another but it shouldn’t change our ability to relate to each other. Whether it’s through the latest post or a 280 character tweet, members of society need to communicate effectively, apply critical thinking/problem solving skills, and demonstrate social and cultural awareness as responsible citizens. Northeast Community College’s Core Competencies lay out general education goals focused on building these abilities to make students successful within the classroom and beyond.

GOAL #1: EFFECTIVE PUBLIC SPEAKING

Being accustomed to using technology to convey our thoughts can bring about challenges in face-to-face communication moments. Learning and then implementing the appropriate skills can make all the difference.
- Be prepared by creating a thesis statement and identifying resources.
- Organize thoughts to present a clear pathway from introduction to body to conclusion.
- Practice. Focus on learning the content and then on nonverbal and verbal skills such as eye contact, gesturing, and voice projection and variation.

GOAL #2: PURPOSEFUL WRITING

Can you text or email your way to cross-generational understanding? If your instructor cannot figure out what you sent in your last message, chances are good that the answer is no. Being able to convey your thoughts in a manner understandable to everyone from your friends to your boss is critical for everyday success. Writing that accomplishes this most commonly follows Modern Language Association (MLA) or American Psychological Association (APA) rules. Consider these suggestions to get you started:
- Start with an introduction that fits the purpose and captures interest.
- Build the paper by writing in a logical sequence that supports the topic and personal point of view presented in the thesis.
- Include supportive information such as facts, examples, and quotations that are appropriately referenced.
- Wrap up the content with a strong conclusive ending.
GOAL #3: THINKING CRITICALLY & SOLVING PROBLEMS

Technology has provided wonderful resources for gathering information and resolving problems. However, a search engine is only as good as the person using it. Critical thinking and problem solving skills will help you be more successful at everything from balancing your budget to determining your ideal career. Let these four steps direct you toward resolution:

• Identify the problem by asking yourself questions such as, “What am I trying to achieve?”
• Use resources such as professionals, internet sources, and previous experience to assist in problem resolution.
• Explore multiple solutions before settling on one answer.
• Evaluate all possible solutions to determine which would be most appropriate for the circumstance.

GOAL #4: GLOBAL PERSPECTIVES

Being able to interact with people anytime, anywhere demonstrates how we are all part of a global society. Each of us adds to its diversity through our unique experiences while having the ability to contribute to its progression by the responsible social actions we demonstrate. Explore your social and cultural awareness by:

• Getting involved in community and social events.
• Evaluating your own and others’ behavior in terms of both context and culture.
• Demonstrating social and ecological responsibility by caring for the community and the global environment.
• Becoming civically engaged through involvement in local and national matters.
A student may change Cooperative education, or “coop,” All degree-seeking students are required to meet The College expects students to changes his/her major prior to the term starting, or, within the first two weeks of a term and has made a change to his/her class schedule.

Once credit hour and GPA requirements have been successfully completed, students seeking academic amnesty must complete the Academic Amnesty Petition form available from the Registrar. The Academic Amnesty Petition form shall specify the semester(s) for which amnesty is requested. The Registrar will determine if the student qualifies for academic amnesty. If approved, the student will receive a copy of the petition form signed by the Registrar.

Academic amnesty may be granted once per student for one or two semesters of course work and is irrevocable.

Semesters that include courses used for a previous degree cannot be removed through academic amnesty.

Credits completed during a term for which academic amnesty is granted cannot be used for prerequisite or degree requirements.

Academic amnesty has no bearing on financial aid eligibility as all terms, including those for which amnesty is granted, must be considered.

As a result of an approved academic amnesty, all courses, credit hours, grades and grade points attributable to the identified amnesty term(s)—including courses that were successfully completed—will be removed from credit hour and GPA data. The listing of course titles and grades remain on the student’s academic record. The transcript will state “Academic Amnesty Granted” for the semester(s) approved for amnesty.

ADD OR CHANGE OF MAJOR PROCESS – A student may change his/her major, change his/her concentration, or add a new major by completing an “Add or Change of Major Form”. This form must be signed by the student and a First Year Advisor from the Advising Center following a discussion of that should be considered, including financial aid and transfer issues. The form must be filled out completely, including a new tentative graduation date. The completed “Add or Change of Major Form” must be processed in the Admissions and Registration Office. If the student is requesting a change to a limited enrollment program major, the student must check with the Admissions and Registration Office regarding the availability of space in the program. Note: Changing one’s major to a limited enrollment program major does not guarantee a space in the program. The change of major or adding a new major will not take effect until the next academic term. The only exception is if a student changes his/her major prior to the term starting, or, within the first two weeks of a term and has made a change to his/her class schedule.

Exceptions may be granted with approval from the Vice President of Student Services or his/her designee.

ADVISEMENT – All degree-seeking students are required to meet with an academic advisor prior to registration until they have earned 28 credit hours and are academically in Good Standing. Every student is assigned an advising team made up of a First Year Advisor and a Program Advisor. Additionally, a Dean and Associate Dean are available to assist students. Advisors are provided to help with educational planning, career exploration and development, schedule building and adjustment, and issues impacting academic success. Your assigned advisor is listed in your My Northeast account under the Student Records tab. To schedule an appointment with a First Year Advisor, call (402) 844-7719, or contact your Extended Campus.

ATTENDANCE – The College expects students to attend classes and complete assignments, including assignments missed due to absence. Each instructor develops and enforces the attendance requirements for each course. In addition, instructors follow Northeast’s procedure for reporting students who fail to start attending and/or students who stop attending class. The consequences for non-attendance are outlined on page 136 of the Handbook under “What is the attendance policy?”. Students who cannot attend a class must notify the course instructor. Students missing class due to cases of extended illness, other health impairments, or family emergencies, must also notify the Dean of Student Success. Students who miss class due to military obligations must notify the Northeast Community College School Certifying Official in the Admissions and Registration Office.

AUDITING – Auditing a class means that you can attend the class for information or enjoyment without doing assignments, taking tests, earning credits, or receiving a grade. You are required to pay for any classes you audit. The student's transcript will reflect “AU” in lieu of a letter grade.

CATALOG – The Catalog, which is available on the Northeast website, is your reference guide. Among other things, the Catalog contains degree requirements, course descriptions, graduation requirements, programs of study, tuition and fees, grading system, and other College guidelines. The Catalog published in the year in which you start your degree is your reference for your degree program. If there is a break in your education, new completion standards may be implemented.

CLASS SCHEDULE – Class schedules are essential to enable you to register each semester. The class schedule is a list of classes planned for a semester. It includes course offerings, instructors, times, and locations. Class schedules are available via My Northeast at northeast.edu.

COOPERATIVE EDUCATION – Cooperative education, or “coop,” is College-sponsored on-the-job training prior to graduation. In some programs, cooperative education is required; in others, it is an elective. You pay regular tuition and fees for cooperative education.

CREDIT BY EXAMINATION – Credit by examination is a testing service by which schools administer an examination to students to measure the student's knowledge in a particular subject area. The school may choose to award college credit to the student based on the achievement of a passing score. Northeast administers DSST and
CLEP on campus. A fee is assessed for the administration of these tests. Credit awarded will be reflected on the student transcript. Credit by examination inquiries should be directed to the Director of Testing Services on the main campus, (402) 844-7281.

CREDIT HOURS — A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:
1. One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or
2. At least an equivalent amount of work as required in paragraph 1 of this definition for other academic activities as established by the institution, including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

DISTANCE LEARNING — Northeast offers many of its classes via distance learning to students who are not physically “on site” in a traditional classroom environment. Distance learning delivery methods utilize videoconferencing software and online.

DROP AND ADD — Changes in registration are referred to as “drop and add”. To make a change in your class schedule, you must fill out a Drop/Add Form available at the Admissions and Registration Office in Norfolk, the Extended Campuses in O’Neill, South Sioux City and West Point, and the Regional Offices in Ainsworth and Hartington. Be aware that dropping hours may affect financial aid, housing eligibility, and/or veterans benefits. You may drop classes using My Northeast through the first two weeks of classes during the fall and spring terms.

DRUG/ALCOHOL POLICY — Northeast Community College is a drug/alcohol free campus. A complete copy of Northeast Community College’s policy is available electronically for students on their My Northeast account. It is also available in the Student Services Office and on the Northeast website.

ELECTIVES — In most programs of study, you have a few credit hours that are not designated as required courses. You may fulfill these credit hours by taking courses that are of special interest to you. These courses are called electives.

FINANCIAL AID — Financial aid is any type of financial assistance received by the student from sources outside the student’s immediate family. An application process is required for federal, state, and agency assistance; a separate process is required for scholarship assistance. Early application can be advantageous. Students receiving financial assistance must maintain satisfactory academic progress in order to continue receiving assistance. The Financial Aid Office staff can provide information on the possibilities and requirements at Northeast or visit northeast.edu. You must be a degree-seeking student and be enrolled in classes by the tenth day of the semester in order to maintain your financial aid status. A reduction in the number of credit hours may affect your status.

FULL-TIME STUDENT — Full-time students are enrolled in at least 12 credit hours per fall or spring semester or the combined summer sessions. Students receiving financial assistance should contact the Financial Aid Office regarding the number of credit hours needed to maintain full-time status during the summer.

GRADE APPEAL POLICY — Every student has the right to appeal the final grade in a course in accordance with the grade appeal procedures. A formal grade appeal shall be filed before the end of the first regular semester immediately following the term during which the grade was assigned. A formal grade appeal may be filed if:
1. There is a dispute over the numerical calculation of the grade, or
2. The grade assigned appears not to be indicative of the student’s performance.

GRADE POINT AVERAGE (GPA) — The grade point average is a function of the grading system referring to the average of all letter grades that you earn in your classes. The GPA is used to determine your academic status, scholastic probation, scholastic honors, and eligibility for graduation. For information on how to compute your GPA, see page 135.

GRADING SYSTEM — The following grades are used to record a student’s achievement in courses of instruction:

A+, A Superior; work of exceptional quality
B+, B Above-average work
C+, C Average quality work
D+, D Below-average work
F Failing work
UF Unofficial F grade
P Pass; acceptable quality work
W Withdrawal; recorded after a student formally withdraws from a class. A student must initiate action for withdrawal through the Admissions and Registration Office prior to the end of the withdrawal period. Students who want to withdraw from college must complete a Term Withdrawal Form available from the Admissions and Registration Office or the student’s advisor. Students who officially withdraw by completing and returning a Term Withdrawal Form to the Admissions and Registration Office will receive a “W” for the course or courses they were taking. Any student who stops attending classes and does not officially withdraw receives a “UF” grade which becomes a part of the student’s permanent record.
Incomplete; the temporary grade of “I” may be issued when a student has completed most of the course requirements but is unable to complete the remainder due to circumstances clearly beyond his/her control (i.e., serious illness or an emergency). It is the student’s responsibility to request an Incomplete Form from the instructor. Arrangements will then be made for the completion of the course objectives. An incomplete should not involve the student attending the majority of the class sessions during a subsequent term. An “I” must be completed by the date specified on the Incomplete Form, never more than one year after the course has concluded. If course work is not completed during this time, the “I” will be changed to an “F” on the student’s permanent transcript.
Audit; auditing a course allows students to attend classes without earning college credit. Students may audit any classes that do not include laboratories or studio activities with the permission of the course instructors. Students auditing courses pay the same tuition and fees as those...
taking courses for credit. The audited courses are marked “audit” at the time of registration or before the second meeting of the class. Students who have registered to audit courses may not change to college credit after the second week of the semester. For short-term classes (i.e., summer classes, or fast track) check with the College Registrar.

RA+, RA Remedial coursework. Superior; work of exceptional quality.

RB+, RB Remedial coursework. Above average work.

RC+, RC Remedial coursework. Average quality work.

RD+, RD Remedial coursework. Below average.

RF Remedial coursework. Failing work

GRADUATION RATE — Graduation rate is found by using a fall cohort. A cohort is a group of students that includes all first time, full-time freshmen enrolling for a specified fall term. These students are tracked for 150% of the normal completion time to see if they completed their educational intent. Using 150% time means a student seeking a one-year diploma is given 1.5 years to attain their educational goal. A student seeking a two-year degree is given three years to attain their educational goal.

The graduation rate for the fall 2016 cohort was 51%. The graduation rate for the fall 2013 cohort was 53%. The graduation rate for the fall 2014 cohort was 55%. The graduation rate for the fall 2015 cohort was 48%.

HYBRID COURSE — Hybrid courses combine two course formats. A course may have a face-to-face portion, but also have an online or virtual component. This means a portion of the course is taking place online or virtual and some face-to-face. The same may be true for a combination of both virtual and online. Hybrid courses teach all course objectives, are teaching with the same level of rigor, and require the same amount of time to complete course requirements.

I.D. CARD — Students enrolling in credit courses are eligible to receive a Student I.D. Student I.D.s are processed when students attend an orientation/registration session on campus. I.D.s are also available in the College Welcome Center, the College Center at South Sioux City and at the Northeast Extended Campuses in Hartington, O’Neill and West Point. Replacement cost for a lost or stolen I.D. is $5.00. The Student I.D. allows Northeast students free admission or discounts to the following Northeast events: intercollegiate athletic events, Northeast/Norfolk Community Theatre productions, and College-sponsored activities. Some local merchants require a Student I.D. for purchasing the academic version of computer software. Check with other local merchants (i.e., theaters, restaurants, and computer and video stores) for student discounts.

A Social I.D. may be obtained by paying $10 per semester at Student Accounts. This Social I.D. entitles the student to bring a guest free to College-sponsored events for the semester. Take your receipt to the College Welcome Center Receptionist to have the Social I.D. made.

INFORMATION SECURITY POLICY — Computers, laptops, devices, and WIFI are available for student use at the Norfolk Campus, extended campuses and learning centers in South Sioux City, O’Neill, West Point, Ainsworth, and Hartington. Refer to the “Information Security Administrative Procedures”, “Acceptable Use Procedures — Technology Resources”, and “Peer to Peer File Sharing Procedures” available on the Northeast website, northeast.edu.

LACTATION ROOM — Northeast provides a lactation room for staff or students who need to express breast milk while on campus. The lactation room is located in Union 73 room 212. The door can be locked when in use and will be left unlocked when not in use. Students can contact the Student Services office at 844-7272 if they need a refrigerated place to store their breast milk while attending class(es).

MANDATORY PLACEMENT — The College reserves the right to evaluate and determine if a prospective student has the ability to benefit from a recognized program of study at Northeast Community College. Students may be required to take prerequisites and/or academic skills courses before enrolling in certain classes. Program requirements are outlined in the program brochures, the College Catalog, and on northeast.edu.

MY NORTHEAST ACCESS TO STUDENT INFORMATION SYSTEM — My Northeast is a web-based system that allows students to register for classes, check their grades, view current course offerings, and view course descriptions from the College Catalog. My Northeast is accessed through the My Apps portal on the Northeast Community College homepage at northeast.edu.

NONCREDIT COURSES — The College offers classes that do not qualify for traditional college credits. These courses are designed to upgrade job skills; provide training for skill development or certification; learn hobbies and crafts; and pursue recreational, special, and cultural interests. These classes are referred to as noncredit courses.

ONLINE COURSES — Online courses are offered through Canvas, the College-adopted Learning Management System (LMS). Online courses allow the student to study and work on the course “anytime, anyplace” and still have interaction with the instructor. Students enrolling in an online course should be comfortable with browsing the Internet and attaching or downloading files. They also possess good time management skills and are self-starters.

One week prior to the course start date, students will receive an email to their northeast.edu account with their details on how to access their online course(s).

For technical assistance while taking an online course, students can contact the Service Center. The Service Center is available for walk-in traffic, email, or by phone. The Service Center is open during convenient times for students that differ when school is in session and during the summer. To find current hours, please visit northeast.edu/help.

Contact Information:
Email: help@northeast.edu
Phone: 402-844-HELP
In person: The Service Center is located in Union 73 on the Norfolk campus, and on the first floor at the South Sioux campus.

PARKING AND TRAFFIC REGULATIONS — Campus speed limits are 15 mph unless otherwise posted. Parking lots are available on a first-come, first-serve basis. Motorcycles are to be parked in regular parking stalls or in specially marked areas. Handicap parking is available and designated by signage and color-coded. Staff and students parking illegally will be ticketed. Vehicle owners should carry appropriate insurance coverage in the event that damage occurs to a vehicle or its contents while parked on the College campus. Vehicles with trailers
must park in the lot east of the Agriculture/Allied Health Building unless permission is granted from the Executive Director of Physical Plant or designee to use other lots. Abandoned vehicles will be handled per the Nebraska Department of Motor Vehicle guidelines.

PRIOR LEARNING ASSESSMENT – Prior Learning Assessment is a process that involves identification, documentation, assessment, and recognition of the learning you have acquired through formal and informal study.

Prior Learning Assessment includes learning from work and life experiences; correspondence and extension courses; individual study and reading; civic, community, and volunteer work; and participation in informal courses and in-service training sponsored by associations, business, government, and industry.

For information on how to begin the process of prior learning assessment, contact any division dean or the office of the Registrar.

REFUNDS – Tuition and fees are refundable according to the following schedule:

**FULL-TERM CLASSES**
Weeks of Semester........................................... Percent of Refund
First and second week.................................................. 100%
Third and fourth week .................................................. 50%
After fourth week............................................................ NO REFUND

**LESS THAN FULL-TERM CLASSES**
Classes more than one (1) week in length: Follow the same refund schedule as full-term class, adjusted accordingly for the length of the class.

Classes one (1) week or less in length: If dropped prior to the day the class begins, 100% refund; if dropped the day the class begins or later, no refund.

Summer Term Classes: Follow the same refund schedule as full-term classes, adjusted accordingly for the length of the class.

Credit Courses: Once a term begins, the student must officially withdraw from a class or classes they are not attending by completing a Drop/Add Form or Withdrawal Form and submitting the completed Form to the Admissions and Registration Office. Depending on the length of the course, the student may be able to drop courses online utilizing My Northeast. The date the form is received by the Admissions and Registration Office, or the date the drop is completed on My Northeast, is the date used to calculate the refund.

If a student has received financial aid, a tuition refund will be used to restore amounts to the aid programs involved. All educational costs incurred up to the time of withdrawal will be considered in determining any additional overpayment of aid. Financial aid repayment is established according to federal regulations pertaining to federal student aid.

Noncredit Course Refunds: Request for refunds must be made through the Center for Enterprise or the Director of an Extended Campus prior to the first class meeting. Material fees are not refundable, except in courses canceled by the College.

REGISTRATION REQUIREMENTS – Degree-seeking students must attend New Student Registration. Students enrolling in programs of study offered primarily on the Norfolk campus should make an appointment to attend a scheduled New Student Registration on campus. Students who are attending the majority of their classes off-campus may view the Virtual New Student Presentation via the Northeast website. Contact your Extended Campus Director or Admissions for instructions regarding access to the Virtual New Student Presentation.

**RETURN OF FUNDS POLICY** – Students receiving financial aid who withdraw or stop attending will, in most cases, be required to return a portion of financial aid received. The Higher Education Act, as reauthorized and signed into law on October 7, 1998, established the Return of Title IV Funds Policy.

The concept behind the policy is that the college and the student are allowed to retain only the amount of Title IV (Federal) aid that is earned. If a student withdraws or stops attending classes, a portion of the aid received is considered to be unearned and must be returned to the Title IV programs from which it was received. For Title IV purposes, the last date of attendance is one of the following: the date the formal withdrawal process begins, the date the student otherwise gives official notice of intent to withdraw (i.e., letter, phone call, e-mail, in-person), the mid-point of the term, or the last documented date of attendance in an academically-related activity. Northeast uses the last documented date of attendance in an academically-related activity. If a student attends through 60 percent of the term, all Title IV Aid is considered earned.

DEFINITIONS

**Administrative Drop:** A processed by the Admissions and Registration Office due to the student’s failure to start a course. The Administrative Drop allows for a 100% refund of tuition and fees.

**Official Withdrawal:** Withdrawal from a course that was initiated by the student by completing the official withdrawal process. Student will receive a grade of W.

**Unofficial Withdrawal:** Withdrawal from a course initiated by the institution for a student who has stopped attendance. No refund is given. Students who stop attending a course will be unofficially withdrawn and given a grade of an Unearned F.

**FEDERAL TITLE IV REFUND CALCULATION** – The Financial Aid Office determines, based on the federally mandated formula, the amount of FSA/Title IV assistance a withdrawn student has earned, based on their determined withdrawal date. The Return of Title IV Funding (R2T4) calculation policy is outlined below:

**Step 1:** The first step is a series of formulas to determine the amount of aid which must be returned. Following the determination of the last date of attendance, the school must calculate the number of days attended and the total number of days in the term; weekends count and any period of no classes that is five days in length or greater is excluded. Days attended are then divided by days in the term to calculate percentage completed. That percentage is multiplied by total aid for which the student is eligible to determine the amount of aid earned (% completed x total aid = earned aid). Total aid – earned aid = unearned aid (aid to be returned)

**Step 2:** The next step is for the school to determine total institutional charges and multiply that figure by the percentage of unearned aid (100% - % completed = % unearned). It makes no difference which type of resource actually paid the
school bill; the law assumes that Title IV aid goes first to pay institutional charges. Institutional charges x % unearned
= Amount returned by school (up to amount indicated as unearned in Step 1)

The school must then return the amount of unearned aid up to the maximum received, to each of the Title IV programs in the following order:

1. Unsubsidized Federal Stafford Loan
2. Subsidized Federal Stafford Loan
3. Federal PLUS Loan
4. Federal Pell Grant
5. Federal Supplemental Educational Opportunity Grant (FSEOG)

Step 3: The school then calculates the amount for which the student is responsible by subtracting the amount returned by the school from the total amount which is unearned. That remaining amount is the student’s share and is allocated in the same order as stated above. Total amount unearned — amount returned by school = $$ for which student is responsible.

Once the school determines dollar amounts and which individual programs must be repaid, the student will be notified of any amounts he or she owes. Funds that must be returned by the student to the loan programs can be paid in full in accordance with normal loan repayment terms. For grant dollars that must be repaid, the amount due from a student is limited to the amount by which the original grant overpayment amount due from the student exceeds half of the total Title IV grant funds received by the student. A student has 45 days to make repayment and does not have to repay a grant overpayment of $50 or less. Unpaid balances will be turned over to the Department of Education for collection. Until overpayments are repaid or satisfactory arrangements to repay have been made, students will be ineligible for further Title IV aid.

This policy is totally separate from the institutional refund policy. Unpaid balances due to Northeast that result from amounts returned to Title IV programs and other sources of aid will be charged back to the student. If a student does not begin attendance in all classes or ceases attendance during the 100% refund period, aid may have to be reduced to reflect appropriate status prior to calculating Return of Title IV Funds. Before withdrawing or stopping attendance in classes, the student should be aware of the proper procedure for withdrawing from classes and the consequences of either withdrawing or stopping attendance.

FOR STUDENTS ENROLLED IN MODULES — A student is considered withdrawn if the student does not complete all of the days in the payment period that the student was scheduled to attend. If a student withdraws from a course in a later module while still attending a current module, the student is not considered as withdrawn. However, a recalculation of aid based on the change in enrollment status may be required.

If a student provides written notice to the Financial Aid Office at the time of withdrawal from a current module that she/he plans to attend a later module in the same payment period, she/he is not considered a withdrawal. If the student does not provide that written confirmation, the R2T4 recalculation of aid will be done. However, if the student does return in a later module in the same payment period, regardless of whether prior written confirmation was received, the R2T4 process will be reversed and the student will be awarded the funds that she/he is eligible to receive at the time of return.

POST-WITHDRAWAL DISBURSEMENT — If the student did not receive all of the funds that were earned prior to withdrawing, a post withdrawal disbursement may be due. If the post-withdrawal disbursement results in the student’s being eligible to receive either Federal Direct Stafford Subsidized or Unsubsidized Loan proceeds, she/he will be contacted via US Mail by the Financial Aid Office. Written authorization from the student will be requested and is required before loan proceeds can be processed and disbursed to the student. Northeast will automatically use all or a portion of the post withdrawal disbursement of grant funds for any outstanding charges for tuition, fees, room and board charges. Students will be notified of a post-withdrawal disbursement eligibility within 30 days of the date of withdrawal determination and Northeast will return any unearned funds within 45 days.

IF A STUDENT REMAINS ENROLLED ONLY IN NON-TITLE IV-ELIGIBLE COURSES — A student’s schedule sometimes includes courses that the student is taking for credit and for which the student may not receive Title IV funds. If a student ceases attendance from all his or her Title IV eligible courses and remains enrolled in only non-Title IV eligible courses the student is considered a withdrawal for Title IV purposes.

Any questions on Return to Title IV Funds may be addressed to the Director of Financial Aid. Questions regarding withdrawal should be addressed to the Admissions and Registration Office or the Dean of Enrollment Services.

SMOKING/TOBACCO USE — The use or possession of tobacco and/or tobacco substitutes is not permitted on any College-owned property, in buildings, vehicles, during classes, athletic events, or at any College-sponsored activities. This includes, but is not limited to, cigarettes, cigars, smokeless tobacco, and electronic smoking devices.

SPECIAL TOPICS — Special topics courses are designed to provide opportunities for the College to offer classes based on the interest of students and faculty. Students may repeat a special topics class in a discipline area up to four times. Any offerings in that same discipline area beyond four times will be considered a repeat offering and the credits will not accumulate on the student's transcript.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS (SAP) — Northeast Community College is required to establish minimum academic standards that students must meet to be eligible or maintain eligibility for federal, state and institutional aid including but not limited to grants, loans, federal work study, institutional scholarships and waivers. Northeast Community College must notify students of this policy and monitor the progress of all students receiving financial aid to insure their continued compliance with the policy.

Students who are receiving financial aid or seek to receive financial aid in the future are required to meet these minimum academic standards. Failure to meet these standards means the student is no longer eligible to receive financial aid. It is the responsibility of all students receiving financial aid to familiarize themselves with the policy and to insure that the standards are met.

Enrollment Status: Student status is based on the following semester enrollment:

- Full-time (FT) — Attempting 12 or more credits
- Three-quarter time (TT) — Attempting 9-11 credits
- Half-time (HT) — Attempting 6-8 credits
- Less-than-half-time (LTHT) — Attempting 5 or fewer credits

For financial aid awarding purposes, enrollment status is based on credit hours for which the student is enrolled as of the published date considered to be the tenth day of the term for the majority of students. Financial aid will be adjusted to reflect less-than-full-time status if the student is not registered for at least 12 credits hours on that date. Financial aid will not be adjusted to reflect credit hours added after that date. Students who are registered for a class on the first day of the term but never begin attendance in that class cannot include that class in determining enrollment status for financial aid purposes. Aid will be adjusted if students are reported as a no show in their class.

Requirements Cumulative GPA: A student must maintain a cumulative GPA of at least 2.000.

Requirements
The following components are measured to determine whether the student is meeting SAP standards: Cumulative GPA, Pace Requirement, and Maximum Timeframe.

Grade Point Average - Cumulative GPA: A student must maintain a cumulative GPA of at least 2.000.

Pace Requirement or Completion Ratio - The pace requirement or completion ratio component of the satisfactory academic policy is measuring the pace at which a student
must progress through his or her program of study to ensure completion within the maximum timeframe permitted and provides for a measurement of the student’s progress at the end of each evaluation. Pace or completion ratio is calculated by determining the cumulative number of credit hours the student has successfully completed divided by the number of cumulative credit hours the student has attempted. To meet the pace requirement, the student’s completion ratio must be 67% or higher. Attempted credits include any course taken for credit while attending Northeast. Credit hours transferred in from another institution are included in both attempted and completed credits. Successfully completed credit hours include letter grades of A+, A, B+, B, C+, C, D+, D, or P. Credit hours that will not count as successfully completed include letter grades of F (Fail), UF (Unearned F) or I (Incomplete), W (Withdrawal), AU (Audit), credit by exam (i.e., CLEP). Repeats of successfully completed credits will be considered in the hours attempted and may be used in determining enrollment status for financial aid purposes. Title IV funds can pay for repeat coursework previously taken in a program as long as it is not a result of more than one repetition of a previously passed course or any repetition of a previously passed course due to the student failing other coursework.

Maximum Time Frame Measure - Rate of Program Completion
(Maximum Time Frame): Students are expected to complete their program of study within a reasonable time period. A student's maximum time frame is based on total credit hours attempted at Northeast plus any transfer credits accepted towards their program of study and the student’s degree objective. These limits apply regardless of whether or not the student has received federal funding. Students are eligible to receive aid for up to 150% of the published number of credit hours for a program of study (see program descriptions in the College Catalog).

Example: If a program of study requires 78 credit hours to graduate, the maximum credit limit you could take and receive financial aid would be 117 (78 x 150 percent). All credit hours attempted by you including transitional and ESL classes are counted, maximum time frame may be adjusted by the number of transitional or ESL credits taken.

At the end of each semester, the total number of attempted credit hours will be counted to see if you have reached the maximum number of credit hours for your program. All credit hours are counted. This includes:

- Credit hours attempted in semesters you did not receive financial aid.
- Credit hours attempted prior to a change in your program of study. Students nearing maximum time frame due to a change in their program of study will be reviewed for an academic plan.
- Credit hours transferred from another institution into your program of study at Northeast.

Consequences
Financial Aid Warning - Financial Aid Warning status is assigned to a student who fails to meet one or more of the SAP measures indicated above at the conclusion of a payment period. During a warning semester, the student may still receive financial aid. The student’s future financial aid eligibility is dependent upon how well the student does during the warning semester. If the student completes the warning semester and now has a cumulative GPA of 2.000 or higher and the student is meeting the pace or completion ratio requirement, the student will be removed from financial aid warning status and restored to good standing. If, however, the student again fails to meet one or both of those requirements, the student will be placed on financial aid suspension.

Suspension - A student will be placed on financial aid suspension if he/she fails to meet the academic progress requirements at the end of a warning semester.

Regaining Eligibility - A student whose financial aid eligibility has been suspended has two options for regaining eligibility.

- A student may qualify for reinstatement of financial aid eligibility by enrolling at his/her own expense and bringing their cumulative GPA above 2.0 and by bringing their pace or completion ratio requirement up to 67% to meet the minimum requirements of the satisfactory academic progress policy.
- A student may appeal their financial aid suspension if extenuating circumstances (death of a relative, injury or illness of the student, or other special circumstance) exist. Appeals must be made in writing to the Director of Financial Aid and must include supporting documentation of the extenuating circumstances. In the appeal request the student must provide information regarding why the student failed to make SAP and what has changed in the student’s situation that would allow them to demonstrate satisfactory academic progress at the next evaluation. If a student’s appeal is granted he or she will be placed on financial aid probation. A student on financial aid probation may receive aid (federal, state or institutional) for one payment period. At that point, the student must meet Northeast’s standards of academic progress or the requirements of an academic plan that was established on an individual student basis as a result of the appeal process. Denied appeals may be directed to the Vice President of Student Services in accordance with the Northeast Community College Policy for Student Grievance Procedure.

Additional Information
Transitional Classes: Students may receive financial aid for a maximum of 30 credits of transitional classes.

Incompletes: A student who is placed on warning or suspension because of incomplete credits may request that the Financial Aid Office review his/her status once the course has been completed.

Additional Degree: If a student has completed one program of study, he/she may qualify for federal, state or institutional aid for an additional qualifying program of study. The student will be required to meet with the Financial Aid Office for a credit evaluation to determine eligibility. Students seeking a second degree will not be able to obtain aid for hours above 125% of the credit hours required for that second degree. Federal aid time limits may apply.

Withdrawal from Northeast Community College: Students withdrawing during a semester will be placed on financial aid warning or suspension. Those students who received financial aid should be prepared to repay a portion of aid received according to federal regulations and the Northeast refund policy, which is printed in the College Catalog and financial aid brochure.
Evaluation Timeframe:  Northeast Community College will evaluate a student's satisfactory academic progress and the end of each payment period; fall, spring, and summer. All summer sessions jointly are considered one term. A student placed on financial aid warning or suspension will be notified via U.S. mail to the current mailing or permanent address on record. It is the responsibility of the student to keep their address updated.

The complete standards of Satisfactory Academic Progress can be found on the Northeast website or they may be requested from the Financial Aid Office.

STUDENT MILITARY CALL-UP PROCEDURE – Students who have their education at Northeast Community College interrupted as the result of being called to active military duty will be served in the following manner:
1. The student must contact the Director of Financial Aid and the Veterans Certifying Official at Northeast prior to leaving for active duty. The student veteran/reservist must provide a copy of the orders activating them. The copy of the orders will be on file in the Admissions and Registration Office.
2. The student is also requested to communicate the anticipated military leave to each of his/her instructors. The Veterans Certifying Official, within 48 hours of the student's anticipated leave date, will make a follow-up contact with the student's instructors.
3. Students being called to active duty for three weeks or less will be granted a leave of absence from Northeast to fulfill their military obligations. Upon the student's return to Northeast, every effort will be made to grant the student a timeline equivalent to double the amount of time he/she is absent for completion of work missed. The maximum six-week time period may be extended per individual instructor discretion.
4. If a student's absence extends beyond three weeks, the student will be administratively withdrawn and he/she will be given a full refund of tuition and fees. Return of any Title IV Aid received will be calculated as of the last date of attendance prior to the military leave.
5. Students living on campus will have the option of relinquishing their on-campus housing or being charged for the amount of time their belongings remain in housing. Meal plans will be adjusted accordingly.
6. Upon return from active duty, the student will be given priority to re-enter the program of study he/she was pursing prior to his/her military leave.

DISABILITY SERVICES – Accommodations are available for a student with a permanent or temporary disability. The Director of Disability Services (DDS) determines eligibility for accommodations and services. The student must disclose a need to the DDS and complete an application. A student must provide documentation of disability as defined by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008 and Section 504 of the Rehabilitation Act of 1973. Under the ADAAA and Section 504, a person has a disability if that person has a physical or mental impairment that substantially limits one or more major life activities that includes, but is not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Students with a disability (SWD) have a right to:
- Equal access to courses, programs, services, jobs, activities, and facilities available through Northeast;
- Reasonable, appropriate, and effective accommodations, academic adjustments, and/or auxiliary aids determined on an individual basis; and
- Appropriate confidentiality of all information pertaining to their disabilities with the choice
- of to whom to disclose their disabilities to except as required by law.

The Disability Services Office is the designated office to obtain and file disability-related documents.

Reasonable accommodations are determined on an individual basis. Examples of reasonable accommodations, academic adjustments, and/or auxiliary aids are testing accommodations that include listening to exams, extended time for exams, and/or taking exams in a lower distracting environment; calculator usage; obtaining textbooks in an electronic format to listen to the textbook while reading; note-taking accommodations such as copies of lecture notes, access to Power Point presentations, and/or recording lectures; usage of note-taking technology such as smart pens and apps; usage of computer software and apps including, but not limited to, speech recognition and text-to-speech; FM systems; adjustments to course participation; adjusting procedures; and providing accessible classrooms/residence halls. Some accommodations may take several weeks to put into place, so please make requests known early.

The DDS is Northeast’s designated staff person who certifies eligibility for services, determines reasonable accommodations, and develops a plan for the provision of such accommodations with the student. Can I drop or add a class?
If you need to drop or add a class or change class periods, visit with your advisor and complete the necessary forms. You should try to make any course changes during the first week of the semester; however, you may still do so after the first week with instructor permission. Be aware that dropping classes may affect financial aid eligibility.

Note: Students should complete a Term Withdrawal Form if dropping all classes. A "UF" will be recorded on the transcripts of students who stop going to class if they do not complete and process an official Drop/Add or Term Withdrawal Form.

Can I repeat a class?
If you do not do well in a class, you may repeat it. The Registrar will use only the higher grade you received to compute your grade point average. Both grades will remain on your transcript; however, the lower grade will note the repeat and be excluded from the GPA calculation.

What if for some reason I have to withdraw from school?
If you must withdraw from school, see your advisor first. It is important for you officially withdraw to avoid "F" grades. This is possible if the withdrawal form is completed and returned prior to the "last day to withdraw" listed on the academic calendar. Your advisor or Extended Campus Director will supply you with the necessary forms (or they may be obtained in the Admissions and Registration Office on the Norfolk campus) and explain the withdrawal procedure. Again, withdrawing or not completing the term could result in financial aid ramifications.

Where can I go to find out what College activities are going on?
A calendar of events can be found online at northeast.edu, student activities link. Notices of activities and other items of interest to students are posted on the bulletin boards and in table tents throughout campus. Notices and posters require a stamp of approval from the College Welcome Center Receptionist before posting. In addition, Student Services prints the “What’s Happening”, a weekly newsletter published each Monday, which lists current and upcoming activities. The “What’s Happening” is also available on the College website at northeast.edu, which also includes other helpful information.

How do I compute my GPA (Grade Point Average)?
The Grade Point Average, usually referred to as GPA, is a function of the grading system used to determine academic status, scholastic probation, scholastic honors, and eligibility for graduation. Grade points are allocated for each credit hour earned as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Points</th>
<th>Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>
<td>4</td>
<td></td>
</tr>
<tr>
<td>A</td>
<td>4.0</td>
<td>(used in computing GPA)</td>
</tr>
<tr>
<td>B+</td>
<td>3.5</td>
<td>(not used in computing GPA)</td>
</tr>
<tr>
<td>B</td>
<td>3</td>
<td></td>
</tr>
<tr>
<td>C+</td>
<td>2.5</td>
<td></td>
</tr>
<tr>
<td>C</td>
<td>2</td>
<td></td>
</tr>
<tr>
<td>D+</td>
<td>1.5</td>
<td></td>
</tr>
<tr>
<td>D</td>
<td>1</td>
<td></td>
</tr>
<tr>
<td>E</td>
<td>0</td>
<td></td>
</tr>
</tbody>
</table>

To compute GPA, multiply the semester hours of credit for each course by the grade points, and then divide the sum of the grade points by the total number of credits attempted. When a course is repeated, only the higher grade will be used in computing the grade point average.

What leadership opportunities are available on campus?
Northeast students are offered the opportunity to participate in the Student Leadership Development Series. The Series is comprised of four workshops intended to assist students in becoming better leaders; is free of charge for students in SAC, SLA, RA and the Student Ambassadors; and is filled with outstanding information, activities, and speakers. To learn more about the series and workshop dates, contact Carissa Kollath at carissa@northeast.edu.

Can I participate in athletics at Northeast?
Northeast offers athletic opportunities through intercollegiate competition in baseball, basketball, golf, softball, soccer, and volleyball. For intercollegiate sports eligibility information, contact the head coach of the sport you are interested in or the Athletic Director.

Intramural competitions include flag football, softball, basketball, volleyball and more. For intramural sports, watch for notices on campus about athletic opportunities or check with the Student Activities Office.

Is it too late to apply for financial assistance?
You may apply for some types of financial aid until the period of enrollment has ended. Northeast offers several kinds of financial assistance, including grants, loans, scholarships, and work study. To be considered for all types of aid for the upcoming academic year, you should complete the Free Application for Federal Student Aid (FAFSA) as soon as possible each year after tax preparation is completed for the preceding year. The Financial Aid staff will work closely with you to determine your eligibility for financial aid to meet the cost of attending college. Contact the Financial Aid Office on campus in Norfolk for more information.

Who do I contact if I do not feel well?
If a major medical emergency or minor medical problems occur on campus, the student should immediately contact emergency medical personnel by calling 911 from a campus phone. Students can visit the Student Health Services Office in the Student Center, Room 216, or call (402) 844-7176 for non-emergency health issues. See “Health Services” on page 132.

What is the attendance policy?
The College expects students to attend classes and complete assignments, including assignments missed due to absence. Each instructor develops and enforces the attendance requirements for each course. In addition, instructors follow Northeast’s procedure for reporting students who fail to start attending and/or students who stop attending class. Outlined below are the consequences for non-attendance. Students who cannot attend a class must notify the course instructor. Students missing class due to cases of extended illness, other health impairments, or family emergencies must also notify the Dean of Student Success, (402) 844-7282. Students who miss class due to military obligations must notify the College's VA certifying official in the Admissions and Registration Office.

Student Failure to Start Attendance - Administrative Withdrawal
Northeast Community College is required to verify the enrollment and participation of students who participate in Federal Title IV student aid programs and/or who receive educational benefits through alternate funding sources. Students who fail to start a class and never complete an assignment will be reported for non-attendance by Northeast faculty.

- Students who have no active participation in a course will be...
as numbered below 1000 level will not transfer. For more specific information about transferable classes, visit the transfer guide on northeast.edu.

Will I be notified if I’m doing poorly in a class?
As a college student, it is your responsibility to keep track of your progress in course work and seek extra help from your instructor or a tutor if necessary. However, you may be contacted by your First Year Advisor if your faculty submits an Early Alert regarding your academic performance or as a result of your mid-term grades. Your daily grades will be logged in the Canvas gradebook so you can easily access them. At mid-term, faculty enters grades. Students may view mid-term grades on My Northeast.

Should I carry health insurance?
Northeast Community College does not sponsor a school insurance plan, but the College recommends that students enroll in a voluntary group accident and/or health insurance plan available through commercial insurance companies. If a student is enrolled as a member of a family health or hospital-related plan, he/she should check to see at what age that coverage ends.

What classifications are used to determine resident status?
Students shall be classified as Nebraska resident, Iowa or South Dakota resident, or nonresident for admission and tuition purposes by the Admissions and Registration Office. Classification as a Nebraska, Iowa, or South Dakota resident requires that the student be a resident of the State of Nebraska, Iowa, or South Dakota for six months prior to the first day of class. Refer to the College Catalog for the Residency Guidelines and Procedures that support residency status. Qualifying Northeast student Veterans will be eligible for in-state tuition rates.

Any student who has been classified as a nonresident for tuition purposes and believes that he or she may qualify as a Nebraska, Iowa, or South Dakota resident must file a residency application form with the Registrar by the first day of the term for which the tuition fee was charged. An individual who believes that he or she has been incorrectly denied a Nebraska, Iowa, or South Dakota residency determination by the Registrar may appeal the decision through the Vice President of Student Services, then the President, and subsequently the Board of Governors.

How do I file a complaint? (Excluding complaints of discrimination and harassment)
Occasionally, a student will encounter a College-related problem that he or she does not know how to resolve. When this happens, students should always try to work out the problem by first discussing it with those directly involved with the issue. If, however, an issue or problem still exists, there is a formal complaint process at Northeast Community College that students may initiate. All formal complaints must be put in writing using the online Student Complaint Form. If a form is submitted without a student’s name, the complaint will not be considered. All written complaints will be tracked to ensure an action has been taken. In addition, outcomes of appeal processes are not subject to further consideration through this process.

Complaint: A written concern or formal charge of dissatisfaction with a person, service, or process that requires clarification, investigation, and resolution. This requires completion of the Student Complaint Form.

Exclusions: The Student Complaint Process does not apply to
grade appeals, complaints of sexual harassment, or other forms of discrimination or harassment on the basis of a protected class, or any student-to-student complaints. Please refer to Northeast Community College’s Policies and Procedures (AP-1010.0) on Nondiscrimination and Harassment for procedures to respond to complaints of discrimination and harassment, including sexual harassment. The Student Code of Conduct contains procedures regarding these student-to-student complaints.

Instructions for initiating a formal complaint:
1. Attempt to resolve the issue by speaking directly with the individual(s) or office(s) involved.
2. Complete and submit the online Student Complaint Form (northeast.edu/student-rights-and-responsibilities/student-complaint-form).
3. When the complaint is received by the Director of Student Life, it will be forwarded to the appropriate individual to review and address the issue.
4. After the concern has been addressed, the student/future student will receive written communication from the Director of Student Life documenting the receipt, review, and resolution of the complaint.

If a student feels the administrative response is not satisfactory, the Formal Student Grievance Procedure may be initiated.

Distance Education Student Complaints:
In compliance with the Higher Education Opportunities Act of 2008, the U.S. Department of Education conducted a Negotiated Rule Making Process in 2010, and institutions offering distance education must provide enrolled and prospective students with contact information for filing complaints with its accrediting agency and with the appropriate state agency for handling complaints in the student’s state.

It is recommended that students taking online classes at Northeast Community College first pursue their concerns locally. Students taking online classes at Northeast Community College who reside out-of-state should follow the instructions for initiating a formal complaint listed above.

Northeast Community College is required to have contact information on its website for out-of-state students who want to file a complaint within their home state. We provide additional online resources for filing student complaints that provides phone numbers, emails and/or other contact information for state education agencies.

Family Educational Rights & Privacy Act (FERPA)
Northeast Community College complies with all federal, state, and local laws, which relate to student records including the Family Educational Rights and Privacy Act (FERPA) and pursuant regulations. Regardless of the student’s age, rights under FERPA begin when a student enrolls at Northeast Community College.

The College Registrar through the Vice President of Student Services is responsible for maintaining and controlling all student education records. An individual who believes that the College has failed to comply with the requirements of FERPA may file a complaint with the:

U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-8520

Under the law, directory information may be released by the College without the student’s consent. The following items are considered directory information: student’s name, address, telephone number, email address, major field of study, participation in officially recognized sports and activities, weight and height of athletic team members, terms of attendance, honors and awards received, degrees and awards, photographs, and the most recent previous institution attended by the student. If a student does not desire such directory information to be released, a request in writing must be filed in the Admissions and Registration Office.

Release of information other than directory information normally requires written permission from the student. The College may release non-directory information without consent in specific cases as outlined in College policies. Northeast maintains a record of all disclosures, and if a student so requests, a copy of the disclosure will be given to the student.

Northeast officials may release information without student’s prior written consent to the following groups:
• Northeast Community College faculty and staff with a legitimate educational interest and needs to review an educational record in order to fulfill his or her professional responsibilities for the college.
• Person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials. (such as an attorney, auditor, collection agent, verification agency such as the National Student Loan Clearinghouse)
• Specified officials for audit or evaluation purposes
• Appropriate parties in connection with financial aid to a student
• Organizations conducting certain studies on or on behalf of the school
• Accrediting organizations
• To comply with a judicial order or lawfully issued subpoena
• Appropriate officials in cases of health and safety emergencies
• State and local authorities, within a juvenile justice system, pursuant to specific State law

Students have the right to inspect their educational records. The College will not withhold a student’s record from a student who has properly requested information under the conditions described in College policies and presented valid identification. A student has the right to request an amendment of their record, obtain a hearing related to their record, or add a statement to their record. An individual who believes that he or she has been denied the right to view appropriate records may appeal the decision with the Vice President of Student Services through the student grievance procedure. This procedure does not apply to disputes about grades assigned by faculty. For information on the grade appeal policy and procedure, refer to the Student Handbook or College Catalog.

For additional information regarding students’ rights and freedoms, refer to the Student Code of Conduct section of the Student Handbook, available in the Student Services Office. To obtain a complete copy of the College’s policy governing educational records, contact the Vice President of Student Services.

Northeast Community College takes reasonable measures to protect your personal information in accordance with all applicable federal, state and local regulations.
How do I find out if classes are cancelled due to bad weather?
When weather or other conditions necessitate the cancellation or postponement of daytime classes or events and services provided by Northeast Community College, a decision will be made by 5 a.m. If evening classes or events must be cancelled or postponed, a decision will be made and announced by 3 p.m.

Northeast Community College believes the safety of its students is of paramount importance and encourages students to use their best judgment when weather conditions have deteriorated. Northeast’s Campus Alert system disseminates timely weather announcements and emergency notifications via text message, email and voice messaging. Campus Alert is available to all faculty, staff and enrolled students. To register for Campus Alert, visit northeast.edu/campus-alert.

Online Courses and Services
Online courses are offered through Canvas, the College-adopted Learning Management System (LMS). Online courses allow the student to study and work on the course “anytime, anyplace” and still have interaction with the instructor. Students who are successful in online courses are comfortable with browsing the Internet and uploading and downloading files. They also possess good time management skills and are self-starters.

One week prior to the course start date, students will receive an email to their northeast.edu account with details on how to access their online course(s).

For technical assistance while taking an online course, students can contact the Service Center. The Service Center is available for walk-in traffic, email, or by phone.

PREAMBLE

Students enrolled at Northeast Community College (Northeast) are expected to conduct themselves in a mature and responsible manner. It is the policy of Northeast to allow students maximum freedom consistent with good scholarship and citizenship. Students are required to engage in responsible social conduct that reflects credit upon the college community and to model good citizenship in any community. Good citizenship implies high standards of conduct and requires conformity to the laws of the United States, the State of Nebraska, its subdivisions, and to Northeast Community College, Board Policies and Administrative Procedures, this Student Code of Conduct and other policies and procedures.

Northeast Community College (Northeast) students are responsible for knowing the information, policies, and procedures outlined in this document. Northeast reserves the right to make changes to this Code as necessary and once those changes are posted online, they are in effect. Students are encouraged to check online at northeast.edu for the updated versions of all policies and procedures.

ARTICLE III: PROSCRIBED CONDUCT

A. Jurisdiction of the Northeast Student Code of Conduct

The College Student Code of Conduct shall apply to conduct that occurs on College premises and at College-sponsored activities, and within online and virtual classes/events. Each student shall be responsible for his/her conduct during each academic year for which he/she is enrolled. The Student Code shall apply to a student's conduct if the student withdraws from school while a disciplinary matter is pending.

The Student Code of Conduct applies to behaviors that take place on the campus, at Northeast sponsored events and may also apply off-campus when Vice President of Student Services and/or the Dean of Students or designee determines that the off-campus conduct affects a substantial Northeast interest. A substantial Northeast interest is defined to include:

- Any situation where it appears that the student's conduct may present a danger or threat to the health or safety of him/herself or others; and/or

- Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or

- Any situation that is detrimental to the educational mission and/or interests of Northeast Community College.

The Student Code of Conduct may be applied to behavior conducted online, via email or other electronic medium. Students should also be aware that online postings such as blogs, web postings, chats, and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. Northeast does not regularly search for this information but may take action if and when such information is brought to the attention of Northeast officials.

Note that behavior that would constitute a violation of Board Policy and Procedures related to harassment and nondiscrimination will be handled under the procedures contained in (AP-1010.0). This includes discriminatory harassment, sexual harassment, sexual assault, dating violence, domestic violence, stalking, and other civil rights offenses as defined under that procedure. Questions regarding the scope of those policies and procedures may be directed to the Title IX Coordinator.

Student health and safety are primary concerns of Northeast Community College. Students are expected to contact 911, Campus Security, Residence Life staff, or other College officials when they believe medical assistance for an intoxicated/impaired student is required. When such assistance is sought for an intoxicated/impaired student, the student seeking help, as well as the individual assisting, will not be subject to College disciplinary actions with respect to the alcohol policy. Student(s) may be required to complete an alcohol education class or assessment.

15. The use or possession of tobacco and/or tobacco substitutes is not permitted on any College-owned property, in buildings, vehicles, during classes, athletic events, or at any College-sponsored activities. Disorderly conduct includes, but is not limited to, unauthorized use of electronic or other devices to make an audio or video record of any person while on College premises or at a College-sponsored event without his/her prior knowledge, or without his/her effective consent when such a recording is likely to cause injury or distress. Any person who makes or participates in such retribution or retaliation, directly or indirectly, will be subject to disciplinary action. A person who believes he/she has been or is being subjected to retribution or retaliation should immediately notify the Associate Vice President of Human Resources or his/her designee or the Vice President of Student Services.

24. Conduct not expressly proscribed may also subject students, groups of students, or student organizations to discipline where it demonstrates that a student, group of students, or organization has disregarded the need to conform to reasonable rules and regulations intended to protect the health and safety of others and to assure their orderly access to and beneficial use of institutional resources and facilities.

25. Formal or informal student organizations, which by repeated practice, initiate, encourage, support, or tolerate conduct by members, associates, or guests that violate the provisions of this Code shall be subject to discipline.

C. Violation of Law and College Code of Conduct

1. No provision of this Code shall be interpreted to deprive students of rights guaranteed them under state or federal law.

2. College disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both criminal law and the Student Code of Conduct (it is possible both violations may result from the same factual situation) without regard to the pendency of any civil or criminal proceedings under this Student Code may be carried out prior to, simultaneously with, or following any civil or criminal proceedings conducted off-campus. Determinations made or sanctions imposed under this Code shall not be subject to change because criminal charges brought against a student or group of students were dismissed, reduced, or resolved in a Court of Law.

3. When a student or group of students is/are charged by federal, state, or local authorities with a violation of law, the College will not request or agree to special considerations for that individual because of his or her status as a student. If the alleged offense is also being processed under the Code, the College may advise off-campus authorities of the existence of the Code and of how such matters are typically handled within the College community. The College will cooperate with law enforcement and other agencies in the enforcement of criminal law violations which occur at the College. Individual students and other members of the College community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

4. When the Vice President of Student Services receives a report of student misconduct that may constitute a felony offense under state or federal law, that official shall immediately report the known facts and circumstances to the local law enforcement officials who have jurisdiction over the matter.

ARTICLE IV: STUDENT CONDUCT CODE PROCEDURES (OTHER THAN TITLE IX RELATED COMPLAINTS)

A. Charges and Appellate Board Hearings

1. Any member of the College community may file charges against a student for violations of the Code. A charge shall be prepared in writing and filed with the Director of Student Conduct or his/her designee. Any charge should be submitted as soon as possible after the event takes place, preferably within three (3) work days.

2. The Director of Student Life or his/her designee shall conduct an investigation to determine 1) if a violation may have in fact occurred, 2) if so, what an appropriate sanction(s) might be, and 3) if a charge(s) and sanction(s) can be administratively resolved by mutual consent of the parties involved. The Director or his/her designee shall supply to the accused student, a letter outlining the Code or Residence Life violation and the sanction(s) to be imposed. Accused students may appeal the sanction(s) for the following reasons: 1) inappropriate sanction (does not follow the Residence Halls or Student Services matrix of sanctions); 2) procedural defect during the initial investigation or meeting with College Official(s); 3) presence of new evidence. A Petition for Appeal form can be obtained from the Dean of Students, Director of Student Conduct, and/or the Director of Residence Life.
3. In disciplinary cases involving sexual misconduct, both the respondent and the reporting party will receive, in writing, the results of the investigation and any sanction(s) imposed.

B. Sanctions

1. Sanctions may be imposed upon any student found to have violated the Code or Residence Life Manual. Those sanctions may include the following:

   a. Warning – Written: A notice in writing to the student that the student has violated the Code or Residence Life Manual. Verbal: A discussion with the student outlining the violation.

   b. Probation – A designated period during which a student is considered “not in good standing” with the College. Additional behavior in violation of College regulations during the probationary period may constitute grounds for more serious disciplinary action including, but not limited to, suspension/dismissal from the residence halls, and/or suspension/dismissal from the College. Probation may include specific terms and conditions as deemed appropriate by the Director of Student Conduct, the Dean of Students, the Director of Residence Life, and/or the Vice President of Student Services.

   c. Loss of Privileges – Denial of specified privileges for a designated period of time.

   d. Fines – A sum imposed as a consequence of violating the Code of Conduct or the Residence Life Manual.

      i. To ensure the safety and well-being of members of the campus community or preservation of institutional property or other property located on premises controlled by the College.

      ii. To ensure a student’s own physical or emotional safety and well-being.

      iii. To ensure the normal operations of the institution where a student poses a definite threat of disruption of or interference with the normal operations of the institution. During the interim suspension, students shall be denied access to residence facilities or to the campus (including classes) or all other institutional activities or privileges for which the student might otherwise be eligible as the Vice President of Student Services may determine to be appropriate.

   k. College Suspension – Separation of the student from the College for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

   l. College Expulsion – Permanent separation of the student from the College.

   n. Withholding of a Transcript – The College may withhold a formal transcript until the completion of the process set forth in the Student Conduct Code, including the completion of all sanctions imposed, if any.

2. More than one of the sanctions listed above may be imposed for any single violation.

3. Student Disciplinary Records

   a. Other than College expulsion or withholding of a formal transcript, disciplinary sanctions shall not be made part of the student’s permanent academic record, but shall become part of the students’ disciplinary record. Upon graduation, the student’s disciplinary record may be expunged of disciplinary actions other than residence hall expulsion, College suspension, College expulsion, or withholding of a formal transcript, upon application to the Vice President of Student Services or his/her designee. Cases involving the imposition of sanctions other than residence hall expulsion, College suspension, College expulsion, or revocation or withholding of a degree shall be expunged from the student’s confidential record seven years after final disposition of the case.

   b. In situations involving both an accused student(s) (or group or organization) and a student(s) claiming to be the victim because the educational career and chances of success in the academic community of each may be impacted.

4. The following sanctions may be imposed upon groups or organizations:

   a. Those sanctions listed above in article IV (B) (1) (a) – (n).

   b. Loss of selected rights and privileges for a specified period of time.

   c. Deactivation: Loss of all privileges, including College recognition, for a specified period of time.

5. In each case in which the Director of Student Conduct or his/her designee determines that a student and/or group or organization has violated the Code or Residence Life Manual, the sanction(s) shall be determined and imposed by the Director or his/her designee. Following the meeting with the Director or designee, the accused student and/or group or organization will be informed in writing of the sanction(s) imposed, if any.
C. Appeals

1. A decision reached by the Director of Student Conduct or his/her designee may be appealed by the accused student(s) or complainant(s) to the Appellate Board within three (3) working days of the decision. Accused students may appeal the sanction(s) for the following reasons: 1) inappropriate sanction (does not follow the Residence Halls or Student Services matrix of sanctions); 2) procedural defect during the initial investigation or meeting with College Official(s); 3) presence of new evidence. A Petition for Appeal form can be obtained from the Dean of Students, the Director of Student Conduct and/or the Director of Residence Life.

2. The appeal shall be limited to a review of the initial meeting with the Director or his/her designee and supporting documents. If there is new information and/or relevant facts which were not known to the accused at the time of the original meeting with the Director or his/her designee, the Appellate Board may allow said new information and/or relevant facts to be brought out if requested by the accused prior to the time for the appellate hearing as provided in Subparagraph 4 below.

3. The Appellate Board’s responsibility is:

a. To determine whether the meeting was conducted fairly in light of the charges and information presented and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Code or Residence Life Manual was violated and giving the accused student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures shall not be a basis for sustaining an appeal unless significant prejudice results.

b. To determine if the decision reached regarding the accused student was based on sufficient facts in the case to establish that a violation of the Student Code occurred.

c. To determine whether the sanction(s) imposed were appropriate for the violation of the Code or Residence Life Manual which the student was found to have committed.

4. The Appellate Board hearings shall be conducted according to the following guidelines:

a. Appellate Board hearings shall be conducted in private unless requested to be an open hearing by the accused or complainant. The hearing shall be not less than five (5) nor more than fifteen (15) work days after the student or accused has filed the appeal with the Director of Student Conduct or his/her designee. Maximum time limits for scheduling of this meeting may be extended at the discretion of the Director or his/her designee.

b. College faculty or staff member shall serve as the Chair of the Appellate Board.

c. The complainant and the accused student shall have the right to be assisted by an advisor of their choice, at their own expense. ACADEMIC INTEGRITY PROCEDURES

The Vice President of Educational Services shall appoint an Academic Integrity Officer(s) in consultation with the elected faculty governance leader. The Academic Integrity Officer(s) shall serve as the initial contact person(s) with faculty members when they report incidents of suspected academic integrity violations.

A faculty member who suspects that a student has committed a violation of the Northeast Community College Academic Integrity Procedures shall review with the student the facts and circumstances of the suspected violation as soon as the violation is discovered, preferably within three (3) workdays.

Thereafter, a faculty member who concludes that there has been an academic integrity violation of sufficient substance to affect the student's course grade shall report the incident on the Faculty Report Form to the college's Academic Integrity Officer(s) with the recommended sanctions for the academic integrity violation as soon as possible, preferably within three (3) working days of the incident.

Northeast will use a uniform reporting form which shall contain, at a minimum:
1. the name of the instructor.
2. the name of the student and students ID#.
3. the course name and CRN.
4. the date of the incident.
5. a description of the alleged incident.
6. the instructor's contact information.

The Academic Integrity Officer(s) shall update the Faculty Report Form after a suspected incident has been resolved to reflect that resolution. Unless the resolution exonerates the student, as described in section 4. The Academic Integrity Officer shall place the Form in a confidential academic integrity file created for each student alleged to have violated the Academic Integrity Procedure and shall retain each form for the purposes of identifying repeat offenders, gathering data, and assessing and reviewing policies. Records of student academic integrity are a part of the students' educational record until the student has graduated and it has been seven years from the date of the incident.

A. Determination on Academic vs. Disciplinary sanction.

The Academic Integrity Officer(s) shall determine whether to seek a disciplinary sanction in addition to an academic sanction. The Academic Integrity Officer(s) shall consult with the faculty member who initiated the case and may consult with student affairs and/or academic affairs administrators as needed. Before determining which sanction academic or disciplinary or both to seek, the Academic Integrity Officer(s) will consult the student's confidential academic integrity file, if any, to determine whether the student has been found to have previously committed a violation of academic integrity, the nature of the infraction, and the sanction(s) imposed or action(s) applied.

Prior violations include violations at any location of Northeast Community College (Northeast).

The Academic Integrity Officer(s) should seek disciplinary sanctions only if there is (i) a substantial violation; or (ii) the student has previously violated the Procedure; or (iii) academic sanctions are unable to be imposed because the student has timely withdrawn from the applicable course.

Examples of substantial violations include but are not limited to: submission of someone else's work as original work without proper citation, forging a grade from a transcript, stealing an examination from an instructor or a college office, having a substitute take an examination or taking an examination for someone else, having someone else write a paper for the student or writing a paper for another student, or sabotaging another student's work through actions that prevent or impede the other student from successfully completing an assignment.

B. Procedures in Cases Involving Only Academic Sanctions

1. Student Admits to the Academic Dishonesty and Does Not Contest the Academic Sanction

   a. If a faculty member wishes to seek only an academic sanction (i.e., a reduced grade) and the student does not contest either their guilt or the particular sanction recommended by the faculty member, the student shall be sanctioned accordingly, unless the Academic Integrity Officer(s) decides to seek additional disciplinary sanction(s). Faculty are encouraged to seek “teachable moments” for students when the violation is a first time offense. The sanction recommended may apply to the particular assignment as to which the violation occurred or to the course grade, at the faculty member's discretion. A reduced grade may be an "F" or another grade that is lower than the grade that the student would have earned but for the violation.

   b. The faculty member shall inform the Academic Integrity Officer(s) of the resolution via email and the Officer(s) shall update the applicable Faculty Report Form to reflect that resolution.

2. Student Admits to the Academic Dishonesty but Contest the Academic Sanction

   a. In a case where a student admits to the alleged academic integrity violation but contests the particular academic sanction imposed, the student must submit their appeal within three (3) working days of the academic sanction imposed by the faculty of record through a request to the Academic Integrity Workgroup. Prior to the Academic Integrity Workgroup hearing, the academic division dean of record will meet with both the student and faculty involved to discuss the disputed academic integrity violation for possible resolution of the academic integrity violation.

   b. The student shall, be allowed, at a minimum, an opportunity to present a written position with supporting evidence. The Workgroup reviewing the appeal shall issue a written decision explaining the justification for the academic sanction imposed.

In the event that the grievance concerns a College policy or procedure, the Associate Vice President of Human Resources shall become the accused for purposes of this grievance procedure. Within five (5) College working days after the written complaint has been filed, the accused, his/her immediate supervisor, and the appropriate divisional vice president shall meet and review the grievance. This meeting shall be set up by the divisional vice president or his/her designee. Within ten (10) College working days from the date of filing the written notice, the grievant and the accused shall meet at a mutually agreed upon time and place to discuss the grievance (set up by the divisional vice president or his/her designee). If a meeting time and place cannot be agreed upon, the grievant shall notify the Human Resources Office, who shall then set a time and place for the meeting. The grievant shall have the option of requesting the attendance of the accused’s immediate supervisor and/or divisional vice president at this meeting.

Step Two - If the grievance cannot be resolved in Step One and the grievant desires to pursue the grievance further, the grievant must file a “Formal Student Grievance Report” on a form available from the Dean of Students within five (5) College working days of the informal meeting identified in Step One. submission of the grievance with the Dean of Students and shall file
the same in the Human Resources Office. The Human Resource Office
shall provide copies of the Dean of Students written decision to the
grievant and the accused by certified mail, return receipt requested,
or hand deliver within three (3) College working days of the Dean of
Students filing his/her decision in the Human Resources Office. The

time limits will act as a bar to any further appeal.

2. The failure of the Grievance Committee or the designated administrator
to give a written decision within the prescribed time limits shall permit
the grievance to proceed to the next step.

3. Any grievances not appealed within the time limits shall be deemed
settled on the basis of the Grievance Committee or designated
administrator’s last written response.

4. Time limits may be extended at any step by mutual consent of both
parties involved. Notice of any such extended time limits shall be
provided to the Human Resources Office in writing, at which time the
new date shall be controlling.

SECTION D. SEPARATE GRIEVANCE FILE
All documents, communications, and records dealing with the
processing of a grievance involving a student shall be filed in a separate

Under no circumstances will any person who in good faith files a
grievance or assists in a hearing and/or investigation be subject to any
form of retribution or retaliation. Any person who makes or participates
in such retribution or retaliation, directly or indirectly, will be subject
to disciplinary action. A person who believes he or she has been or
is being subjected to retribution or retaliation should immediately
notify the Associate Vice President of Human Resources or his or her
designee (employees) and/or the Vice President of Student Services
or his or her designee (students).

SECTION G. OTHER
Under Step Three, the Dean of Students shall have authority to
reverse, modify, or sustain the action or decision of the accused which

that is appropriate and within the scope of the administrative and
disciplinary policies of the College permissible to such administrator.

None of the meetings and hearings under these procedures shall be
conducted in public, except as provided in this procedure, and shall
include only the grievant, the accused, committee members, and
individuals called to give testimony.

Costs associated with additional copies of materials, reports, certified
mail, or written transcripts requested by the grievant and not identified
