

PRE-PROFESSIONAL VETERINARY

The pre-professional veterinary degree will prepare students to work in a variety of related jobs within the animal health and science industries. The coursework will also serve to prepare students to transfer and complete additional veterinary school pre-requisites or transfer on to a bachelor's degree program in a related subject area after completing the Associate of Arts degree.

IMPORTANT NOTE: This degree does not lead to licensure as a veterinary technician.

Suggested Program of Study for Associate of Arts Degree (2 years)

FRESHMAN YEAR

Course	Credits
ENGL 1010 English Composition I*	3
Mathematics*	3-5
History*	3
Natural Science*	4-5
Program Elective(s)**	3
	<u>16-19</u>

Course	Credits
SPCH 1110 Public Speaking*	3
