

## Building Construction Program Tool List

Tools required first day of classes  
Estimated Cost: \$1,000-\$1,200

The following is a list of hand tools which each student must have the first day of school. The tools you select must be of a quality acceptable to the department instructors. Brand names are up to you. No one will be allowed into the Building Construction Lab without the required tools. The tools will be permanently marked for identification the first day of lab.
