

How Do I Apply for Financial Aid at Northeast?

You will need the following information before applying for Financial Aid:

- ✓ 2018 IRS tax return transcript and W2's
- ✓ Statement showing the amount you received and paid in 2018 for untaxed child support.
- ✓ A FSA ID. This username and password will be used to electronically sign your Free Application for Federal Student Aid (FAFSA). **Both you and one parent, if you are a dependent student, will need a FSA ID.** You can obtain the FSA ID at <https://fafsa.ed.gov/>.

Next, complete the Free Application for Federal Student Aid (FAFSA). You can do this two different ways:

Option 1 (Preferred) –

- Print and complete a FAFSA on the Web Worksheet found on the <https://fafsa.ed.gov/> website.
- As soon after October 1, 2019 you may file your 2020-2021 FAFSA on the web: <https://fafsa.ed.gov/>. **The Northeast code is 002556.**
- Use the IRS Data Retrieval when submitting your tax information online.
- Be sure you and your parent (if you are a dependent student) sign your FAFSA using the FSA ID. The FSA ID confirms your identity when you access your financial aid information and electronically signs the FAFSA. Without completed signatures, your FAFSA will reject.
- Additional documentation may be required when Northeast Community College receives your FAFSA information electronically; corrections could delay the award process.

Option 2 – If you do not have access to the internet, send the following to the Northeast Community College Financial Aid Office for verification; your FAFSA will be submitted electronically by Northeast Community College:

- 2020-2021 Verification Worksheet,
- Copies of your 2018 IRS tax return transcript *and* W2's and Schedules C, E and F (if filed),
- Copies of your parents' or spouse's 2018 IRS tax return transcript *and* W2's and Schedules C, E and F (if filed), and
- 2018 year-end documentation of child support paid or other untaxed income.
For a year-end statement, contact the Child Support Center at 800-831-4573

INFORMATION FOR IRS DATA RETREIVAL ON BACK
