

Unusual Enrollment History (UEH) Certification 2023-2024

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was flagged for Unusual Enrollment History because you received Federal Grants and/or Loans at multiple educational institutions during the review period of 2019-20, 2020-21, 2021-22, and 2022-2023. The Department of Education requires that before awarding additional Federal Grants and/or Loans, Northeast Community College must confirm enrollment information reported on your FAFSA. To verify that you are eligible to receive additional Federal Aid for 2023-2024, Northeast Community College will compare your previous enrollment, academic and/or financial aid records.

How to resolve:

Select students with the National Student Loan Data System of Students (NSLDS) UEH Flag of 2 and all students with the NSLDS UEH Flag of 3 listed on their Student Aid Report (SAR) will be required to provide Northeast Community College a copy of their official academic transcripts from all colleges and universities previously attended. If Pell Grant and/or Loans were received and credit hours (passing grades: A - D) were not earned at each institution attended during these award years, the student may be determined ineligible for further federal financial aid. The Financial Aid Office has the authority to require an official academic transcript from any/all colleges attended.

Please provide required documentation listed below. Your application for financial aid will not be considered until you submit this completed form and required documentation.

- Request official academic transcript from all previously attended institutions and have them sent to the Northeast Community College Registrar's Office.
- List below the name of any/all educational institution/s at which you received Federal Pell Grant and/or Federal Loan funds.

School Name	City	State	Academic Year Attended

- For each school listed above that you did not earn any credits, attach a statement explaining the reason for your failure to earn any academic credit at that institution while receiving Federal Pell Grant and/or Loans. Attach any relevant documentation (i.e., medical bills, hospitalization records, accident reports, etc).

Certification and Signatures: By signing this form, I certify that the information reported and submitted on it is complete and correct. Purposely giving false or misleading information on this worksheet, may lead to fines, jail, or both.
