DON'T SEE YOUR DEGREE LISTED?

Start your bachelor's degree by taking generals at Northeast and transferring to a college or university.

If you plan to study a concentration in biological sciences, you may complete a two-year program at Northeast and then transfer your credits to a four-year institution.

WHY NORTHEAST?

Ranked as a top community college in the country, student success is at the forefront of everything we do. From cutting-edge technology to abundant hands-on learning experiences to beautiful facilities on welcoming campuses, Northeast drives success by providing foundational experiences and access to the most advanced tools.

From design and framing to wiring and plumbing, Northeast students build two 1600+ square foot homes each year.

Criminal justice students set up and secure crime scenes and collect and process evidence in "The Crime House."

HPER students detect small changes in body fat and lean body mass using a Bod Pod. Northeast's Bod Pod is one of only seven in the state.

Wind Energy students gain hands-on experience 80 feet in the air to inspect, maintain, and repair a Micon 108 Wind Turbine.

Through a partnership with UNMC, nursing students can obtain up to a doctoral nursing degree on Northeast's campus.

60+ medals and sweeping categories at SkillsUSA are testaments to the quality education that prepares students for success.

Northeast is home to a 500+ acre farm that allows students to work with crops, livestock, and learn about maintaining operations.

Northeast's Cybersecurity program is one of 70 two-year college programs in the United States with the CAE2Y designation.

STUDY ABROAD

Students at Northeast have studied abroad in England, France, Italy, Spain, Ireland, and Scotland. We have also established relationships with other two-year colleges around the world and have signed exchange agreements with schools in Denmark and Great Britain. Our next destinations are **Belize** and **Costa Rica**.

HIGH SCHOOL PLUS COLLEGE SAVE TIME AND MONEY

**No cost tuition for
high school students**

The Early College program at Northeast provides free tuition for all students currently enrolled in high school to take dual credit or college credit courses. Whether students want

to take the first steps toward a bachelor's degree or start on a fast track to a career, both general education and career and technical education courses are available.

Classes are offered in a variety of delivery methods, including:

- Dual credit in your home/high school
- Online
- Virtual
- Fridays @ Northeast
- Pathways 2 Tomorrow
- In person at any of our campuses

The benefits are many:

- No cost tuition for high school students
- Complete 12 credit hours, savings of \$1,536
- Complete 24 credit hours, savings of \$3,072
- Classes can lead into a program at Northeast
- Credits earned through completing classes can transfer to colleges and universities

Students who take college credit courses during high school are twice as likely to attend college after graduation.

There is no cost for tuition for high school students. Dual credit courses are available within the Northeast Community College 20-county region. Online courses are available to high school students outside the region. Some courses may have a cost associated with purchasing a book(s) and/or supplies. Students are responsible for covering course fees.
