

Camp, Respite, & Recreation

Camp programs are for individuals with any ability age 5+. Activities include swimming, horseback riding, archery, ropes course plus more! Various sessions are offered throughout the year with overnight, day, hourly, and family events to choose from. Campers are supported with 1:1 - 1:4 ratio of supervision and a nurse on site all hours.

Alternative Financing Solutions

Qualified Nebraskans with disabilities can apply for low-interest loans to purchase assistive technology. Any item that helps a person maintain or increase independence or overcome a barrier to employment can be considered. All income levels may apply. Credit history is reviewed, but financial counseling is available.

Nebraska AgrAbility

Farmers and ranchers who have sustained a disabling illness or injury are provided with assistive technology recommendations and resources for specialty equipment to remain working on the farm or ranch. Nebraska AgrAbility is a collaborative effort of Nebraska Extension and Easterseals Nebraska.

Employment Solutions

Social Security disability beneficiaries receiving SSI/SSDI can receive assistance making an informed choice about obtaining, maintaining or advancing in employment. This includes benefits planning and systems navigation support. Career planning and employment services available for qualified individuals.
