OUR MISSION

To provide quality habilitation services to children and adults who experience developmental disabilities. Every person served deserves the best treatment possible within current philosophy and technology. To promote the civic and moral rights of each person served and to educate on responsible exercise of these rights. To foster each person's intellectual, emotional and spiritual growth. To create linkages between each person and their community through employment and volunteerism.

SERVICE OPPTIONS:

DAY SERVICES

We focus on community involvement and help provide a positive, practical working experience for our clients through supervised volunteerism.

SHARED LIVING SERVICES

Shared Living Services is great opportunity to learn life skills to gain independence.

INDEPENDENT LIVING SERVICES

Independent Living Services is intermittent supervision and support for persons living in their own residence.

EQUINE THERAPY (THERAPEUTIC HORSEBACK RIDING)

Equine Therapy (Therapeutic Horseback Riding) gives people with Developmental Disabilities a sense of themselves, their bodies, and increased contact and interaction with the surrounding world.

VOCATIONAL REHABILITATION CONTRACTED/ SUPPORTED EMPLOYMENT

Initiating employment connections, working to find job placement, and providing job coaching.

ASSISTED RESIDENTIAL SERVICES

Habilitation through skilled and behavior programs. Individuals are assisted in learning daily living skills. Each resident has their own bedroom and 24-hour staffing is provided. Individuals are socially active in the community through regular outings.
