

NorthStar Services is a leader in providing supports with employment, residential, respite, and community inclusion to individuals with intellectual and developmental disabilities throughout Northeast Nebraska. NorthStar Services uses best practices to provide quality services.

Services are individualized to support a person as much or as little as they desire and encompass a wide variety of activities including job search and employment, daily routines, transportation, recreation, leisure, organized sports and help accessing healthcare and receiving medication.

MISSION

Supporting People in Reaching Their Goals

VISION

United in Offering People Choices and Opportunities to Reach Their Goals

GUIDING PRINCIPLES

We believe each person is unique, capable and filled with possibilities.

We believe each person has the right and responsibility to make decisions that direct his/her life.

We believe each person shares responsibility for building family and community relationships.

We believe the role of the organization is to contribute to an individualized network of supports.
