

It's a big world **GO SEE IT!**

Our students have studied abroad in Austria, Canada, Czech Republic, Costa Rica, England, France, Italy, Spain, Ireland, Scotland, and Greece. We have also worked to build relationships with other two-year colleges around the world and have signed exchange agreements with schools in Denmark and Great Britain. This has opened educational opportunities for students to learn at these campuses and to have foreign faculty come and teach at Northeast.

- All students are welcome to participate in Global Engagement experiences.
- Payment plans are available to make these educational opportunities more affordable.
- All trips are led by experienced full-time Northeast faculty.
- Have experiences you'll remember for the rest of your life!

Experiences you'll remember forever!
