November is Native American Heritage Month
November is a time to celebrate the culture, accomplishments, and contributions of Indigenous people, whose history on this land is long and diverse. Related books are on display in the Northeast Library and are available in the eBook collection. The IDEA team (Inclusion, Diversity, and Equity Alliance) in conjunction with the Global and Multicultural Engagement office, is sponsoring an exhibit of flags from the four federally recognized Nebraska tribes in Union 73. The flags represent the Omaha Nation of Nebraska and Iowa, the Ponca, the Santee Sioux, and the Winnebago tribes, all from regions touched by Northeast. The contracts runs from December 20th through January 14th.

On-campus housing will be CLOSED and not be available for residency from December 23rd | 5:00 pm through January 2nd | 10:00 am

Do what you can, where you are, with what you have!

Interession Housing for Current On-Campus Residents
Students must sign an Interession Housing Contract in order to stay in the dorms during the intercession period. The contracts runs from December 20th through January 14th. Students may request an Interession Housing Contract from either Residence Life Desks (Hawks Point and Burkhardt Hall). There is no cost to stay on campus during intercession. The dining halls in Hawks Point will NOT be open during this time; residents are responsible for providing their own meals during intercession. For more information, contact Emily Norman, enorman1@northeast.edu (ext. 7151) or Sara Earl, sarad@northeast.edu (ext. 7146).
